## Club President's Note

- Launce (Lonnie) Goulet

Taking time to reflect back on the execution of last year's ALSC events and activities provides an excellent opportunity to implement improvement for the upcoming year. Proudly I'm happy to report we could only come up with minor areas in need of improvement thanks to all our volunteer's efforts in making 2009 quite a success for the ALSC.

First we need to generate greater sales in our fishing derby raffle tickets. At a price of only \$1 we either need to increase the price of the tickets or sell more tickets. Our choice was to keep the cost the same and find a "hook" to increase sales.

Next we need to encourage more people to attend the Christmas party. Each year our attendance is about 80 people and it's our goal to see this increase to at least 100 for 2010. We hope our efforts at improving your interest and participation in your ALSC will be reflected by this increase in attendance. I look at it as our gauge to how well we are managing your club.

## FISHING DERBY – SUN, APRIL 25th

Once again SHIRELY, CAROL and HARLOW STEVENS have generously offered their beach to host the 2010 ANGLE LAKE FISHING DERBY.

Last year's nice weather drew a good crowd for the event and we saw some nice sized fish coming in to be measured. As always coffee, muffins and donuts will be available in the morning and then stick around for

a lunch of hamburgers, hot dogs and other goodies before we announce derby winners, award prizes and draw for the raffle prizes. We will also be selling T-shirts, caps and other items on the day of the Derby. In an effort to increase raffle ticket sales we are implementing a few new ideas. First look for more raffle prizes.

## WHATS NEW FOR 2010...continued

Now, as to what is new for 2010.

First we need to express our thanks to JO PICKETT for her outstanding job serving as our 2009 Editor and Publisher. BRENDA BRODIGAN, who served as our Secretary for 2009 will replace Jo for 2010 as our new EDITOR AND PUBLISHER. JULIE HILL has volunteered to fill the SECRETARY position vacated by Brenda. WELCOME ABOARD JULIE!

Next we are excited to announce three new ALSC positions. Most of you are aware we have been trying to find someone knowledgeable enough to establish an ALSC website. We are proud to announce that we now have a 'Blog Site' up and running that our members can access for up to the minute news and information regarding our community. Please extend a warm welcome to CLYDE (FUZZ) HILL, our new 'BLOG SITE MANAGER', who has embraced the task of making

this happen assisted by TANI-RAE STANDRIDGE (back from a year's hiatus after being your 2008 club secretary) who will act as our official club photographer for all events. Check out the site and I think you will be as impressed as we were.

Now when you moved to this neighborhood did you feel welcomed? Perhaps so, but to make sure that new members of our neighborhood do feel welcome KATHY BRYANT and MARGE MURTHA have organized our ALSC WELCOME COMMITTEE. If you know of any people new to the community please contact either Cathy or Marge and they'll take it from there. They will meet and greet the new neighbors and introduce them to the ALSC and the many activities they can expect to enjoy and help embrace them into their new community.

Now how do we improve on last year's fantastic 4<sup>th</sup> of July fire-

works show? I'm not sure that we can make it any bigger or any more spectacular but rest assured we do have some ideas on how to make it a wee bit better. One thing I am sure of and that is YOU WON'T WANT TO MISS IT!

Finally after still basking in the success of the TASTY TAPAS we are hoping to get the same response for our CUTTHROAT CLASSIC ROWING AND SAILING REGGATTA set for the middle of September. I, JUDY WILLIAMS and FRAN ESMOND will be working to put this event together as a way to cap off our summer of fun events on the lake. If you thought the TAPAS was fun then you won't want to miss out on the CUTTHROAT CLASSIC party. More details will become available in our summer newsletter.

Have a great summer and we'll hopefully see you on or around the lake.

## FISHING DERBY – SUN, APRIL 25th.....continued

This year our prizes will consist of two (2) tickets for this year's ALSC Christmas Party, four (4) tickets to this year's Tasty Tapas, Bowling Party gift certificates (generously donated by Pat and Val Johns owners of the Hi-Line Bowling Alley) and a grand prize being a nice spotting scope with tripod.

Next, look for some special deals in buying your raffle tickets. If you purchase \$5 worth of tickets you'll get 1 free ticket. Buy \$10 and receive 5 free ad-

ditional tickets and finally if you buy \$20 you'll get 20 free additional tickets. Volunteers will be walking around the lake to sell tickets starting in early to mid April plus tickets will be available on the day of the derby.

Remember that only one (1) raffle ticket per person is required to enter into the drawing, participate in the fishing derby with the first prize for biggest trout set at \$100 plus indulging in all scrumptious

food being served. We urge you to buy as many tickets as possible not only to increase your chances of winning one of the great prizes offered but also to help financially support this event.

If you would like to buy tickets or volunteer to help at the derby or even sell tickets please contact:

## SERVING UP YOUR LAKE NEWS TWO WAYS

In addition to the news you are used to getting through this quarterly community newsletter, the Shore Club will be delivering information to our members via our new blog site available over the internet. A web log or "blog" is a journal that is frequently updated and intended for general public consumption. Blogs generally represent the personality of the author or the Web site, but in our case, we wish for it to be a direct reflection of the dynamics and neighborhood spirit within our community.

The quarterly newsletter will continue to deliver the big stories, recaps of the main events as it always has, whereas the blog is intended to deliver timely information regarding various happenings on the lake or in the neighborhood. In addition to journal entries posted in reverse chronological

order, with the most recent news story listed at the top of the page, you will find:

- A lost & found page where you can search for recovered property or use our email address to report found or missing items.
- Active links to the Manor Community Club web site; photo album; gardening resource; and in case you forget if it's recycle or yard waste week, a link to the Allied Waste collection calendar is also available!
- Archive directory so you can view previous journal entries.
- A slide show featuring images of "Life on the Lake".
- And an overview of the many events hosted by the Angle Lake Shore Club and 2010 scheduled dates.

Although the blog will be managed by the volunteer members of the Shore Club Blog Team, we encourage all Shore Club Members to participate in this blog by becoming frequent visitors of this site; forwarding relevant human interest stories, photos, news alerts and ideas to the Blog Team via our dedicated email address; and/or by freely posting comments regarding the published articles. It is our hope that you find this new communication tool useful.

The degree of success that this blog can achieve is directly proportional to the level of community involvement... Our address is listed in the community phone directory as:

[www.anglelakesc.blogspot.com](http://www.anglelakesc.blogspot.com)

Drop us a line at [anglelakesc@gmail.com](mailto:anglelakesc@gmail.com) and become engaged.

## NEWSLETTER BY EMAIL

In order to save printing and mailing costs as well as the time we spend folding, labeling and stamping the newsletters, we are asking members to please consider having this newsletter emailed to your home instead of being delivered by USPS.

We also have many outdated email addresses on file so if you once gave us your email

address but haven't received a newsletter recently please check in with us.

Simply email Brenda at [bbcrazy4buses@comcast.net](mailto:bbcrazy4buses@comcast.net) and give her your preferred email address(es) and don't forget to include your full name. Thanks!

-Brenda Brodigan

## DIRECTORY DELIVERY AND UPDATES

By now everyone should have received a copy of the new Angle Lake Shore Club phone directory. Yah!! If for some reason you did not receive your copy please call or send an email to Brenda 824-8095 ([bbcrazy4buses@comcast.net](mailto:bbcrazy4buses@comcast.net)) or Marge 870-1887 ([margemurtha@yahoo.com](mailto:margemurtha@yahoo.com)) and we can arrange to have one delivered. Many hours were spent updating this directory since the last one was over 4 years old and we are asking your help in keeping

us abreast of new information as it becomes available so that we can have an current updated master file. If you have any changes in your phone number or members in your household, or if your neighbor moves away please take a minute to let us know.

## SPECIAL THANKS

We would like to extend a special thanks and appreciation to Roger and Lisa May for graciously opening their beautiful home to the ALSC for our 2009 Christmas party.

*Thank You!*

We are still looking for a home to host the 2010 Christmas party if you are interested please call Julie Hill at (206) 241-8272

## ANGLE LAKE RESIDENT TURNS 100

Beulah Maie (Arthur) Pepper, post 12, has celebrated her 100<sup>th</sup> birthday. The celebration was held at the Des Moines yacht club on February 14<sup>th</sup>, two days before her 100<sup>th</sup> birthday.

Beulah is the second child of John and Maie (Scofield) Arthur. The children of John and Maie were Norman the oldest, Beulah, Florence, Douglas & Peggy. The only surviving children are Beulah and Peggy 18 years junior to Beulah.

John and Maie purchased the

lot at 3504 s 198<sup>th</sup> in 1932. The lot was undeveloped raw land. The family then living in West Seattle off California Ave spent the next two years clearing the land and preparing the beach front. With the help of a local carpenter, John built a 900sq ft home and moved his family to the lake in 1934.

Beulah married Leslie Pepper in 1934 and moved back to West Seattle. Beulah and Leslie had three children Raymond born in 1939, James born in 1941, and Robert born in 1946. All raised in West Seattle.

In 1950 Leslie and Beulah and John and Maie purchased the two adjoining lots and combined them into two 60 ft properties.

In 1960 Leslie's work took them to Spokane Wash followed by a move to Anchorage Alaska. Then in 1969, Beulah and Leslie moved back to Washington and moved in to the home at 3508 s 198<sup>th</sup>.

Beulah has 3 Grand children and 5 great Grand children.

When asked as to what she feels has led to her living to 100, she relates how her mother felt she was to skinny as a growing child and began to give her a table spoon of Cod liver oil every day, a regiment that she has continued to this day. Being of the depression era hard work and growing your own vegetables is also on the list of her path to longevity.

-Jim Pepper

## 2nd ANNUAL TASTY TAPAS FLOAT AROUND!!!

Back by popular demand! (Simply because we had such a great time last year.) The Angle Lake Shore Club is pleased to announce our 2<sup>nd</sup> annual **Tasty Tapas Float Around** event for members and their guests only!! Tapas are little bites, hors d'oeuvres if you will, and we expect to again have a broad selection to tickle your taste buds. On Saturday, August 14<sup>th</sup> join us for an evening of fun, food and neighbors. We will have pre-arranged stops, known as stations, set up around the lake that your group can pull in and sample hors d'oeuvres and liquid libations, but only by boat!

Group Leaders shall coordinate your boat departure and travel from station to station and assign those that need transportation to available

party barges. However all are encouraged to be adventurous and take their own boat around the course. However you get around please make sure there is no excessive drinking and driving by your captain!

Our event starts at 4 PM on Saturday and if you need transportation the boats will leave designated pick-up locations at exactly 3:50. Last year we cruised the north/south leg of the lake; this year we plan to explore the east/west end. Stations will be open from 4 – 7 PM. The cost this year will rise to \$15 so that we can compensate our hosts a bit better. Still a great bargain for a watery happy hour! Volunteer hosts will be set up on the beach with selections of hors d'oeuvres and drinks and if you

can make it around the course you should find many tasty treats. It's a great chance to meet the neighbors, snoop around their beach (just kidding!), and have a fine time floating the lake. So put the date on your calendar, invite your friends and join us for an evening of mingling and tingling!!!

We have interest from several potential volunteers to host tasting stations or provide transportation but are actively seeking additional help. Last year some hosts teamed with their neighbors in putting up beautiful spreads. If you are interested in volunteering your beach or your boat to help transport, or for ticket information please contact Jim Todd at [jimmijett@msn.com](mailto:jimmijett@msn.com) or 206-226-9965.

## NEIGHBORHOOD TARGETED

Prowler activity is on the rise around Angle Lake particularly on the Military Rd side of the lake. The burglaries are primarily taking place during the day time hours when residents are gone for the day. In two separate occasions watchful neighbors Tami Bates and Mark Taylor, both on Military Rd were able to thwart and identify burglars by writing

down license numbers and calling the police. One resulted in an arrest and the other case is still pending. It is difficult sometimes because our homes are often hidden by long driveways but it doesn't mean we can't continuously be on the watch for suspicious activity. See the blogspot for more information from SeaTac police on what you can do to help.
