Angle Lake Shore Club Directory is Published!

If you are a paid up member of the ALSC and did not receive your new 2014 Directory please call Marge Murtha @ 206.870.1887 for a Directory to be mailed directly to you.

If you inadvertently received a duplicate Directory please bring it to the Christmas Party on December 7th. Sorry for the inconvenience.

Any changes, corrections or additions please call them into Marge Murtha @ 206.870.1887 or send via email to: margemurtha@yahoo.com

Captains taxi their crew of full bellies on full boats during Tasty Tapas this year!

Santa Cruise

BY JIM TODD

Santa will sail Angle Lake December 14th!

Angle Lake is so special. Santa Claus has announced that he will make an appearance the evening of December 14th, Saturday, during the annual Holiday boat tour! This is a big deal!

We hope to make him feel at home as he cruises Angle Lake on his sleigh boat filled with cheer. So gather together with neighbors and enjoy the parade of boats while you wait for Santa and his elves to visit.

The Partridge Family during the 2012 Santa Cruise

Santa will make 5 or 6 scheduled stops at intervals along the lake shore. The stops will be announced at the ALSC Christmas Party and listed on the blog prior to the event. <http://anglelakesc.blogspot.com/>

If you can't make it to a scheduled stop, build a big bonfire on the beach and Santa will sail up just for you.

The rumor is that he will be handing out goody bags to GOOD boys and girls that night. So if you know any, make sure that they are wrapped up warm and waiting for his visit.

Yes, Saturday December 14th boats decorated in holiday style will tour the lake spreading good tidings. If you'd like to participate with a boat or as a rider, let us know. We'll get together between 6 and 7 and head out with Santa.

To join us contact Jim Todd at jimmijett@msn.com.

Happy holidays!!

Polar Bear Plunge

BY FUZZ HILL

Freezin' For A Reason In 2014.

On New Years Day 2014, ALSC will host the popular Polar Plunge at the Angle Lake Manor Beach where neighbors gather and gaze in bewilderment at the actions of the 'strong minded and brave hearted' who gather along the shore determined to endure the winter plunge.

Our annual tradition entertains bystanders, freezes participants and feeds the hungry! We ask all bystanders and participants to bring a donation of non-perishable food items and/or cash contributions to benefit the Tukwila Emergency Food Panty whose shelves are typically bare from supporting the many in need during the holidays.

Everyone showing up at the **Manor Club Beach on New Year's Day** between **11:00 am and Noon** will be rewarded with one raffle ticket for a chance to win an ALSC t-shirt. Several T-Shirts will be raffled off! To increase your chances of winning some:

- show up in costume (whether plunging or not) and earn another ticket
- bring non-perishable food items and receive a raffle ticket for each item
- bring one or more dollars to donate and receive another raffle ticket
- and finally take the plunge and earn TEN TICKETS for an additional TEN CHANCES to win!!

Benefiting our local emergency food bank; winning prizes; enjoying the company of our neighbors; and having FUN are great Reasons for Freezin'! We hope you'll make plans to join us!

Consult your physician prior to participating in the Polar Plunge to verify your physical capability. Consult the ALSC Blog closer to the event at www.anglelakesc.blogspot.com for further details; and after taking the plunge, perhaps consult a psychiatrist to confirm your sanity!

Check out the photo albums of past years to see just how chilly and silly this event has become: <http://goo.gl/wuY7UW>

Annual ALSC Christmas Party

BY JULIE HILL

Summer has only just ended and already we are focusing on the Holidays!

Is it just me, or do the Holidays come around faster each year?

Our annual **Members Only Christmas Party** will take place on **Saturday, December 7th**, with festivities starting at **4:00 p.m.** and officially concluding at **8:00 p.m.** or whenever the hosts kick us out.

► **Jim and Robyn Todd** have graciously offered their exquisitely unique home at **Post 78 (19050 37th Ave S.)** as this years location!

Admission includes a wide variety of tasty hors d'oeuvres, a delicious buffet dinner catered by award winning Bakeman's Restaurant, tantalizing desserts and our ever popular hosted bar.

This is our grand gala event, so dress in your finest holiday attire. There will be a scenic backdrop and props for your adornment for an official Holiday Photo. Plus we will be awarding a crown and scepter to Mr. and Mrs. Christmas again this year.

We must limit attendance to the first 100 people, so reserve your spot today! Tickets sell for **\$30 person**.

- **Mail your payment to ALSC, P.O. Box 69477, SeaTac, WA 98188**
- **or contact Julie Hill at (206) 355-6460**

We need volunteers to assist with decorations, setup and clean-up; which always adds to the fun and camaraderie. Please, contact Julie Hill and say, "count me in!"

National Night Out Against Crime

BY FUZZ HILL

Neighbors prevent crime by hosting an ice-cream social for community.

The Night Out Against Crime is a program that was initiated in 1984 as an effort to promote involvement in crime prevention activities, police-community partnerships, neighborhood camaraderie and to send a message to criminals letting them know that neighborhoods are organized and fighting back.

The traditional "lights on" campaign and symbolic front porch vigils turned into a celebration across America with various events and activities including, but not limited to, block parties, cookouts, parades, visits from emergency personnel, rallies and marches, exhibits, youth events, safety demonstrations and seminars, in effort to heighten awareness and enhance community relations.

This year, Fuzz and Julie Hill were determined to bring the event to their immediate neighborhood on

the eastside of Angle Lake. Neighbors between posts 31 and 43 were invited to gather on the evening of August 6th for an ice cream social as an opportunity for familiar neighbors to meet with new residents, and to discuss and brainstorm crime issues with emergency and police officials who showed up for the occasion.

In addition to ice cream, everyone who confirmed their home address and phone number for the neighborhood blockwatch directory received a raffle ticket for a chance to win a Sport Utility Vehicle anti-theft steering wheel lock. Congratulations to our newest neighbor at post 38, Kelly Siedenburtg who was the one out of 35 people attending the event to have won the prize drawing.

If your immediate neighbors don't already participate in this annual event, the Hill's encourage you to consider taking the lead to organize an event - it can be as simple as inviting neighbors out to enjoy popsicles or as elaborate as holding a potluck barbeque! The most important thing is to get neighbors out talking about the criminal activities that are particular to your immediate area and to brainstorm solutions on how to address them. The next Night Out Against Crime isn't until Tuesday, August 5th so you have plenty of time to take action.

Angle Lake Classic Horse 'N' Around Race Cancelled

BY LONNIE GOULET

This activity is currently under “revitalization” in order to make a better event for the ALSC community.

I am curious if the cancellation of what would have been our 4th annual ANGLE LAKE CLASSIC HORSE ‘N’ AROUND RACE was noticed by anyone other than board members and a couple of previous contestants?

Competitors during the 2012 Angle Lake Classic Horse ‘N’ Around Race

In my opinion, the Classic Horse ‘N’ Around Race has all the right components to exemplify what our community is all about: Team building; friendly fun; good healthy competition; family, neighbor and friend involvement; contestant participation, spectator involvement and demonstration of community pride. I could go on.

These are all attributes that the Angle Lake Shore Club is striving to bring to our neighborhood with the hope of improving each year. But all that goodness comes with a price:

- ▶ Intense volunteer work required to imagine, organize, create, and judge competitions for this event.

Bets were placed on who would win the controversial paddle boat face-off.

- ▶ Team participation (entry fees) to cover the reward aspect of the competition.
- ▶ Spectator participation to cover all other costs such as game apparatuses, food, and drink.

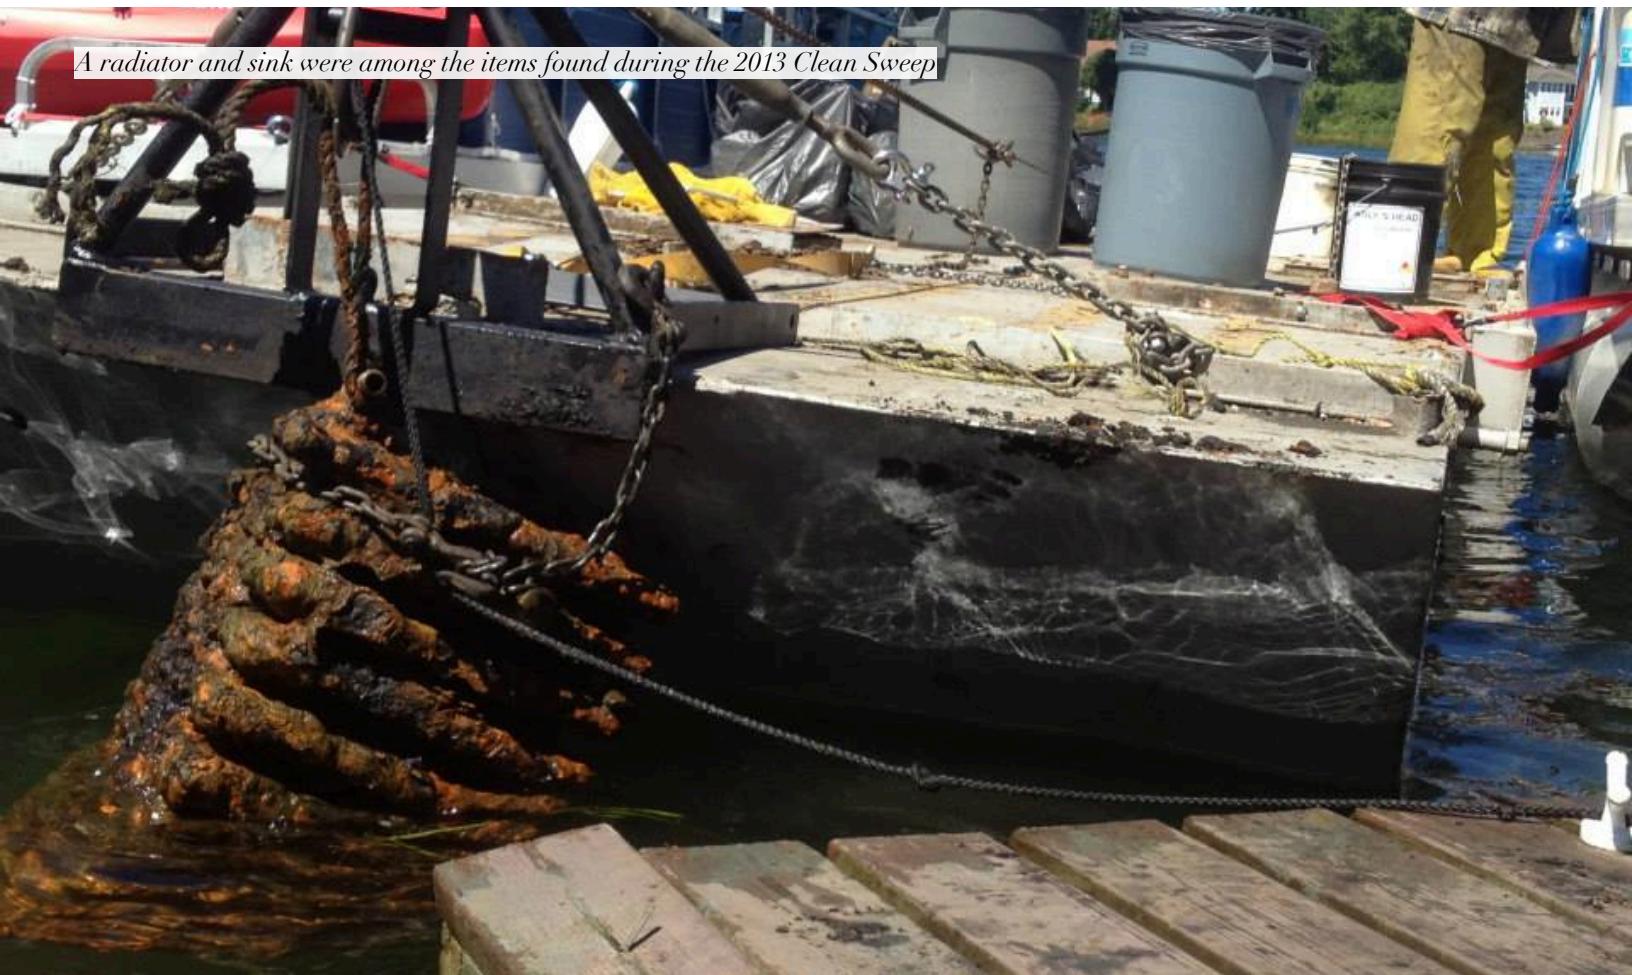

I love this event. I think it is one of the best we have put on for our community. So it was not easy for me, to put forth a motion to the board that we cancel the event this year. I did so for two reasons.

- ▶ Due to personal commitments at home I was not able to devote the time to make sure this event was as good, or better, than previous years.
- ▶ The cost of putting on this event would have likely resulted in a deficit in the budget. This did not make financial sense in light of the looming prospect of raising additional capital to fund our ‘temporary floating platform’ for the 4th of July fireworks show.

I look forward to bringing back the Classic Horse ‘N’ Around Race next year to a revitalized cast of teams competing in fun and exciting events. We have a great marketing team working to promote it so that the community will know about it, look forward to it and attend in record numbers.

This event has the potential to be an avenue to bring neighboring communities closer together. And that is what we are all about!

A radiator and sink were among the items found during the 2013 Clean Sweep

2013 Clean Sweep

BY JUDITH WILLIAMS

Annual cleaning after the 4th keeping Angle Lake the cleanest lake in King County!

The ALSC held another “Clean Sweep” event this year on Saturday, July 27, 2013, a bright, sunny day. ALSC members helped lakeside residents with property clean-up and trash removal. We removed all known extraneous items from the lake bottom with the help of some divers and Bruce Goulet’s magic “hoist” invention. We succeeded in getting items off the bottom we had heretofore been unable to “raise”. Hard work netted fabulous results.

We also covered the streets, the entire area between International Blvd on

the west to Military Road on the east, and from S 188th Street on the north to S 200th Street on the south. Walkers using long handled grabbers provided by the city picked up and bagged litter on all the streets.

We had great volunteers. We applaud all who walked and all who helped on the boats and in the water. We thank them all for the time and energy they put into this event. They did a spectacular job and had fun doing it!

After the 9AM to 1PM clean-up, we had a picnic lunch at the Angle Lake Manor Beach with food and fun for all. We even had drawings for prizes for all who participated. It was a grand day that produced real benefit for all SeaTac residents who love the lake.

We did not have as many volunteers this year as we have had in the past, but succeeded in making our neighborhood a much nicer place to live. We hope all of you will put this event on your calendars next year and come out and join in the fun. It takes very little time and produces huge benefits for us all.

Fourth of July Festivities Recap

BY LONNIE GOULET

A day we came together as a community; not only in celebration but patronage shines through in the face of adversity.

Despite the fact that I was somewhat distracted from all the days' festivities due to our fireworks contractor's inability to get his act together I was, thanks to my family, friends, fellow board members, volunteers and neighbors, able to find many redeeming aspects to make it an overall great day.

Again, Fran Reid and Oren Hadaller made sure the annual Manor Club parade went off without a hitch and was enjoyed by young and old alike. Jonathan Standridge passed out decorations at the start of the route for all participants. Afterwards everyone was treated to crowd pleasing, patriotic solos and an Ice Cream Social cosponsored by your ALSC.

The annual race around the lake, now known as the Bud Jones Memorial Round the Lake Run/Walk, was coordinated by Julie Hill with help from Fuzz Hill, Judy Williams, Kathy Bryant, Marge Murtha and the Hill kids. A respectable showing of participants rose to the challenge of making it around the 3.5 mile course.

The Jones Family walk together wearing the special t-shirts they made for the Bud Jones Memorial Walk/Run

4th of July decorations on land and sea with Lonnie & Annie Goulet's pontoon boat!

Bud & Billie Jones's grandson, Daniel Swanson, running in the 18 year old plus, category, reclaimed the title as the fastest runner with a time of 17:56, merely 35 seconds slower than his previous best.

Other winners, all new from last year, included:

- 17 & Under Girls: Hannah Swanson
- 17 & Under Boys: Mussie Simon
- 18+ Women: Kathy Velloth
- 18+ Men: Joshua Frazier
- 55+ Seniors: Bruce M.

Daniel's name will again be engraved on the trophy and held by the Jones family until he is ready to defend or simply hand it over to next year's winner. Congratulations to Daniel and all other participants for their gallant effort, but I see emerging participants ready to give Daniel a 'run' for his money.

I would love to tell you how our swimmers and boaters fared this year but unfortunately we have been

unable to secure the names of those that participated and won silver dollars and T-Shirts for their achievements. Swimmers that won their races in age categories twelve and younger received silver dollars. Swimmers thirteen years of age and older who won came away with commemorative ALSC 4th of July T-shirts. Thanks again this year to Greg and Marsha Louvier for sharing their beach along with everyone who helped put on these two long standing events.

Our dock/beach decoration competition saw a few new names appear on top of the winners list. Joyce Densmore and family claimed first place and the \$100 prize. Taking 2nd place were the Dave and Kelly Siedenburgh Family (Post 38), 3rd went

to Bruce and Sandy Goulet (post 21) (who I believed again bribed judges with ‘sex on the beach’.) 4th place went to the Drew and Debbie Clark Family (post 41). Thanks to this years’ Judges Maxine Leshner, Jeannie Montry, Katherine Evans-Race and all who take the time to put up decorations because as a community we are all the ultimate winners.

Now, about that fireworks show..

I am not going to elaborate on the problems encountered or on the heroics it took to get what we got, since these issues have been addressed in an abbreviated official statement to the city and a more detailed accounting to our membership.

What I will discuss is our gratitude to those who helped and encourage your support going forward. I will also briefly outline where we are in getting the show back on track.

First, I want to thank:

- all of you who reached out to assist our efforts to get the fireworks show started when it was evident that there were problems.
- neighbors who eagerly came the evening before to assist unloading trucks and help set up the barge (you know who you were and you all rocked.)
- Curtis Steinke and Bruce Goulet who offered to tow out the barge after our normal tow boat driver broke his ribs a few days prior.
- Fuzz & Julie Hill and yours truly for picking up the flares and seeing that they were dispersed dockside.
- Russ & Patti Austin and their sons for building the floats and setting the flares down the

center of each leg of the lake despite the melt down of the contractor.

- the Angle Lake Mobile Home Park for providing support to our Firework’s show again this year by allowing us the use of their property for setting up the barge.
- the dedicated folks who helped clean up the fallout from the fireworks the next day.
- the 21 members who volunteered to collect donations (all of whom received commemorative ALSC 4th of July T-Shirts.)
- Our generous sponsor, the City of SeaTac, whose help in funding contributes toward a more spectacular display.
- those that donated money to support the show, without whom there would be no show.
- the loyal viewers who stayed long enough to see some of the big rockets meant to rock the lake that night.

Second, I want you to be aware of our process for retooling next year’s show. Obviously, we will not be using Eagle Fireworks. We are interviewing new contractors. It is not as easy a task as one might think. We have two major obstacles to overcome.

The first is that Eagle Fireworks owns the ‘temporary floating platform necessary for our show and other

contractors do not provide one.

The second is the difficulty in finding a licensed pyro technician available on the 4th. With the apparent demise of Eagle Fireworks and a few other contractors, the few left are being overwhelmed with demand.

We met with the city on the 25th of October to discuss our options for 2014. We will share the results with our membership at the upcoming board meeting at this year’s Holiday party. We’ll ask for a vote on how to proceed procuring a temporary floating platform and give an update on the search for a new fireworks contractor.

Third, I would like to acknowledge the dramatic decrease of illegal fireworks observed around the lake this year. Perhaps it had something to do with the presence of the SeaTac police boat patrolling the shoreline, but many people expressed gratitude toward those who abstained. Also, on behalf of the community, I would like to extend a big thank you to the SeaTac Police for their community spirit in administering the law and to the Fire Department who were on hand to help with any incidents.

Jim & Robyn Todd's display for the Dock Decorating Contest

Finally, I want to assure our members, that the ALSC has a caring and competent 10 member board who work together and do their best to make sure that your donations are not misappropriated nor casually distributed. The finances of the club are something we take very seriously as well as the trust our members place in our expenditure of these funds for the benefit of all.

We understand your frustration when things go wrong. Many of you voiced your disappointment verbally or in writing, a few withheld donations or asked for refunds. We, on the board, appreciate your feedback, but we were disappointed by withholding and refund requests. Basically we feel these actions are not only detrimental to community's ability to build a better fourth, but also unfair to those who contributed time which can't be refunded or to those who, like all of us, suffered disappointment but maintained their support.

Yes, we were let down, all of us. We voted to give this long standing contractor a second chance and invested untold hours trying to track and verify his performance to no avail.

You could call it growing pains. Ever since the city agreed to co-sponsorship we have ordered a bigger and longer show. Eagle could not handle it; so we must bite the bullet, find our own platform and a new, competent contractor. Now is the time to pull together and move forward to a more spectacular Fourth.

Rest assured, we did not pay the contractor his full price. But as we now must procure a barge in order to replace him, the unpaid funds (and more) are needed. Your support from last year and into the future insures our community will enjoy a spectacular show by professional contractors for years to come. You should know that the city personnel involved in co-sponsoring the show agreed that our actions regarding payments and penalties to Eagle Fireworks were sound and fair to them and our members.

We value your trust in our board of directors, but in the event you lose faith in us, we are open to your suggestions and especially your help. Please volunteer; join us on the board or recommend someone you know who is willing and able to help us

wrangle the work involved in bringing the community together throughout the year in service and in play.

We are so privileged to live in a place where neighbors actually know each other's names, where they welcome newcomers and mourn the passing of old timers, where they work and sweat together cleaning our lake and streets, where they watch out for and assist one another and where they celebrate together, laughing and sharing joie de vivre.

Lest we forget, this type of connection common in Mayberry USA, is rare and special in this day and age. And it doesn't just happen. It is a choice. We make it happen: with vision and passion, with volunteers and participants, with donations of time and money and with intention to step outside our four walls and share our lives.

Thank you for making it all possible by being a part of the Shore Club. And, if you haven't joined, what are you waiting for, fireworks? It is only \$10 per year for a household and a form is in this newsletter.

5th Annual Tasty Tapas Recap

BY JIM TODD

Knowing thy neighbors with a hint of mystery!

On August 17th we had a fine time, as it was again another beautiful day to ply the lake (and ply ourselves with refreshments!). About 100 neighbors and friends cruised from shore to shore on the north/south end of the lake in search of food, fluids and frolic. They were not too hard to find. We are lucky to have gracious hosts who opened their respective locations and served wonderful fare. We would like to thank those hosts:

Bonnie Warner and Margie Sannes for their Fiesta themed fete; The Rombauer household and Hills for their Italian festino; Susan Knox and the Nichols' for their southern tinged tang; The Todds for their taste of Spain; The Picketts, Langenbachs and Joyce Densmore for the fine dessert get-together. We would also like to thank our intrepid boat captains who acted as taxi drivers and didn't expect tips.

Those who attend know what a wonderful event this has become. Those who have not

experienced Tasty Tapas have missed a great opportunity to get to know and enjoy their neighbors. I have told my "off the lake" friends that until my home became Angle Lake I never imagined I would know so many of my neighbors. We really do all have the same back yard where we create unforgettable memories.

Next year will mark the 6th version of Tasty Tapas where we will cruise the east/west leg of the lake. We would love to get new folks involved, especially as station hosts.

► If you would like to explore what it takes to host this event please contact Jim Todd at jimmijett@msn.com. It is not hard and hosts are reimbursed for expenses.

► To get a real picture of the festivities and food, check out the photos of past years: <http://goo.gl/wuY7UW>

This year there remains a little mystery that has left many participants with a lingering question. One boatload of revelers all wore white t-shirts, shorts, and black socks (if I remember correctly). The attire was supposed to represent a theme, in which other Tasty Tapas tasters were asked to guess and then write their answers on the boatload of revelers' shirts. I never heard what the theme was and I suspect many others didn't either.. maybe we'll find out next year.

Early Memories of Angle Lake

EXCERPT FROM ALSC BLOG

[HTTP://ANGLELAKESC.BLOGSPOT.COM](http://anglelakesc.blogspot.com)

A Gladys Solberg Oral History

An Unauthorized Reprint from the [Highline Historical Society](#) Project:

My family moved to Angle Lake in 1935. My father bought the property on the north end of Angle Lake from Noble Urch. The property was a long narrow lot, 40 feet width at the waterfront and 1000 feet in length. There was a house, which was partly built but there was no indoor plumbing, and lots of work ahead to complete the house. We had a well on the top of the hill behind our house and the water was piped down to our house. No water pump was needed, because the water ran by gravity. A few days after we moved into the house (October 30, 1935), we had some very cold weather and the water pipes froze! My poor dad had to get the pipes thawed out - not a very welcome start to our new home.

My father was a longshoreman, and he worked on the Seattle waterfront. It was very hard work in those days, as the ships were loaded by hand. My brother, Erling, was 16 years old and started attending Highline High School as a sophomore. I was 10 years old and started at Angle Lake Grade School in the 5th grade. The school was an old wooden building (built in 1887) with three classrooms and a basement lunchroom. Mr. Mansfield was the principal and he taught the 5th, 6th and 7th grades, all three in one room. Marion Stewart taught 1st and 2nd grades, and

Mrs. Bullock taught 3rd and 4th grades. There was a bell tower on the school and a long rope hung down in our classroom. The bell would be rung for recess and lunch times. A new Angle Lake Grade School was built in 1936, close by the old school. I went to the new school for 6th and 7th grades. Harold Mackey was the new principal, and he was there for many years. He taught 6th and 7th grades. There were 27 students in the two grades. I went to Highline High School beginning in 8th grade. I graduated from Highline High School in 1943.

The Angle Lake Presbyterian Church was located on 192nd South and close to Des Moines Way. I went to Sunday School there, and also to a Young Peoples group. There were two truck garden farms along 192nd South. The DePiano and Manzo families had these farms. There was also a mushroom plant, located where the airport was built (1944). Mr. Kelley owned the mushroom plant. Mr. Pomeroy worked and managed the mushroom plant for Mr. Kelley. My brother worked at the plant occasionally, when he was going to high school.

The only store I remember along Highway 99 in the Angle Lake area was Malmberg's Store. It was a combination gas station and grocery store, located at 188th Street. In those days 188th South was a two-way gravel road. There was a gravel pit and county road equipment located where Tyee High School is now. They kept the gravel roads in the area graded and maintained. I walked to Angle Lake Grade School, which was about 1 mile distance. Other children walked even further to school. There were school buses for Highline High School. Our bus for the south end area traveled many miles, from Angle Lake to Des Moines and around, to pick up students. We were on the bus for about an hour to get to school. Seth Campbell was in charge of buses at Highline, and supervised their upkeep. Mr. Campbell lived at Angle Lake.

At the south end of Angle Lake there was a resort for swimming and picnics, called The Plunge. Robert and Eupha Reeploeg owned and managed the resort. It was very popular for swimming. There was a large slide, a trapeze and high dives. They rented out rowboats and canoes. There was a lunch counter selling hot dogs, hamburgers, pie and ice cream cones all day long. This was part of the large dance hall where dances were held Sunday evenings during the summer. I worked there part-time during the summer when I was in high school. On Sundays I often worked all day, and until midnight when the dance was over.

There were several fruit trees on our property; apples, pear, plum and cherry trees. The former owner, Mr. Urch, planted the trees. My mother and father planted strawberry and raspberry plants. They also planted a large vegetable garden each year. Mother canned some of the fruit and vegetables. They also rented a frozen-food locker and froze some of the berries and vegetables. The lockers were located at Carlson's Market, on Highway 99 and 158th South, where Lewis and Clark Movie Theatre was later located.

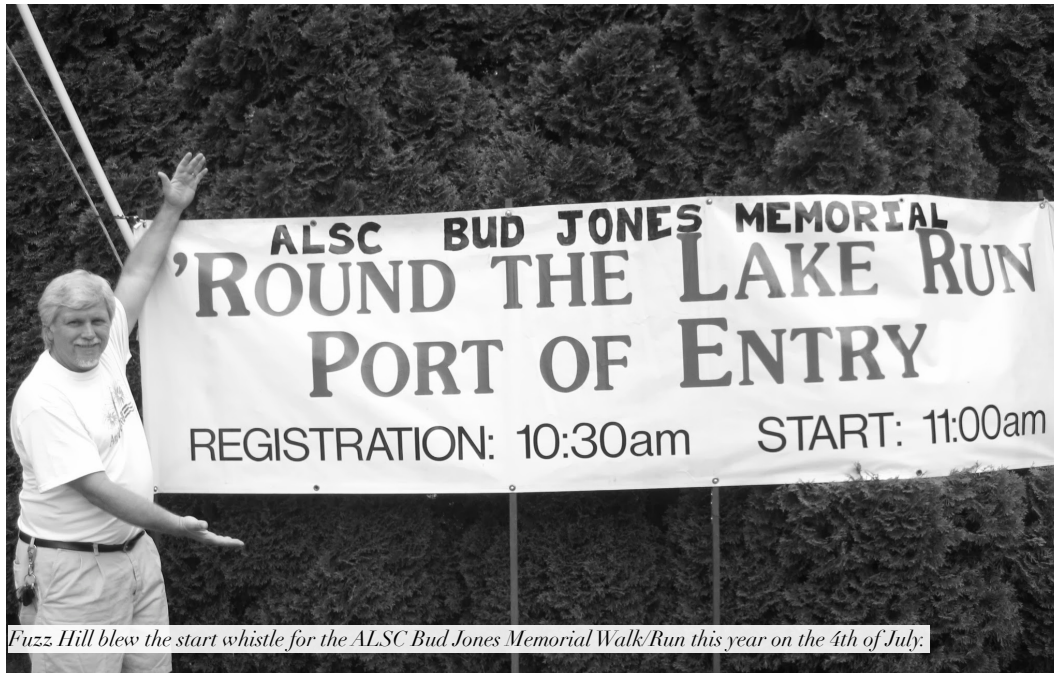

I was fortunate to grow up living on Angle Lake. In the summer we could enjoy swimming and boating. And many winters in the 1930's and 1940's it was cold enough for the lake to freeze over for ice skating.

Editor's Note:

As a child I would love to sit and listen to stories as told by my elders. This interest in oral history has continued into my adulthood where I am particularly drawn toward the stories of the earlier years in my community, listening to the way things were 'back in their day'... the story above turns out to include a particular item of interest to me personally with the mention of Seth Campbell who lived on Angle Lake. It just so happens that I currently occupy the cabin that he and his wife Katherine (Kitty) used to call home way back then. I invite anyone with family lineage dating back to the early days of Angle Lake to capture, preserve and freely share your stories here through our community blog.

ANGLE LAKE SHORE CLUB

FALL 2013

Fuzz Hill blew the start whistle for the ALSC Bud Jones Memorial Walk/Run this year on the 4th of July.

"Gilligan's Lagoon Bar & Grill"

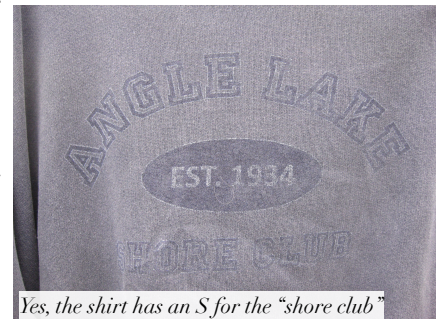

Patti & Clara at Tasty Tapas

ALSC Branded Apparel

Angle Lake Shore Club T-Shirts are available for purchase! The shirts are high quality cotton in a very fashionable dusty blue color with distressed artwork in a white and navy blue design.

We're selling these shirts as part of our annual fireworks fund raising efforts to collect additional funds to cover the cost of procuring a barge and new fireworks contractor to produce the absolute best fireworks show this community has ever seen!

The cost of the shirts is only \$20.00 each and will be available for purchase at the Christmas Party and any of the other ALSC major events. Otherwise feel free to order the T-Shirts when sending in your annual dues or ALSC event fees or donations.

Yes, the shirt has an S for the "shore club"
