

Why is Angle Lake such a GREAT place to live? Because Caring and Cleaning creates Camaraderie.

Angle Lake Clean Sweep

**Good
Clean
Fun!**

Join the Angle Lake Shore Club (ALSC) to clean up the lake and neighborhood.

There is no 'them' that cleans up our lake.
That is why the ALSC coordinates this yearly clean sweep.

Saturday, July 26

9AM to 1PM

- Meet at the Angle Lake Park dock 9 AM
- Grab some grabbers & gloves
- Split up into teams
- Hit the streets or hop on the boats
- Meet at 1 PM at the ALM Beach Lot (3419 S. 194th)
- Free hearty lunch & delicious drinks
- Free raffle tickets for t-shirts
- Extra tickets for the weirdest find & best 'clean' joke

The stuff we find will boggle your mind!

Joining together for the common
good warms the heart
and
the laughter
warms
the soul.

**Help us, Help you
Keep your lake lovely**

We can't do it alone.
We need you to make it happen.

Help us, help you,
if just for an hour or two.
