ALSC Welcoming Committee

Marge Murtha & Debbie Beck

It won't be long now. We have accumulated at least ten (10) new neighbors whom we'll be calling on soon. It's a great experience meeting and greeting wonderful people to our neighborhood and we don't want to leave anyone off of our agenda.

Please email or call us, if you have anyone that needs to be added to our list before we venture out.

Debbie Beck [206.653.7412](tel:206.653.7412),

Marge Murtha @ [206.870.1887](tel:206.870.1887).

2016 Family Fourth of July by Fuzz Hill

Honoring Our Freedom through Celebration!

Regardless, if you were born in the United States, immigrated to the US or are just visiting, you'll surely want to join one or more of the various celebrations occurring on Independence Day in America!

The folks around Angle Lake will be no exception. Residents throughout our community will be enhancing their July 4th Holiday Celebration by joining the various family fun events hosted by Angle Lake Shore Club, Angle Lake Manor, the City of SeaTac and their commercial sponsors.

The lineup of events is as follows:

10:00 am - Angle Lake Manor Club Parade

Pull up a chair to watch or come early at 9:30 to decorate your trike, bike, scooter, wagon, dog, yourself and join in the parade! Parade starts at the corner of 33rd Av S & S. 194th St and then turns right to proceed down S 192nd St and then right on 39th Av and back around to S 194th St ending at the Manor Club Beach Lot for a group sing along and complimentary ice cream treats. Yum!

11:00 am – Bud Jones Memorial Walk and Run Around the Lake

Compete against your neighbors for bragging rights and prizes and trophy as the fastest runner to complete the course around the perimeter of the lake. Race will begin at Post 35. Pre-registration begins at 10:30am; Fitness Walk at 11:00; Competition Race at 11:30 – finish by 12:00.

11:00 am – Children's Play Area and Water Spray Park

Angle Lake Park will be the site for various giant inflated slides and bouncy houses. Purchase an all day pass to participate. If inflatable's aren't your thing, then a safe, thrilling alternative would be to cool off in the spray park that features numerous spray nozzles for kids to run through and play in. If you dare, endure a drenching from the Mega Soaker, a 55 gallon container that fills with water and spills over onto the surface and anybody under it every few minutes. Note: the beach will be closed all day to prep for the fireworks display at 10PM.

2016 Family Fourth of July cont.

1:00 pm – Dock / Beach Decoration Judging

Get those creative juices flowing to come up with the most impressive Independence Day display. Wow the socks off our judges to win a prize of \$100 Gift Certificate for First Place! \$75; \$50; \$25; or Beach towel for 2nd – 10th place respectively.

1:00 pm - Live Entertainment

Entertainment is sponsored by the City of SeaTac featuring Maurice the Fish record label artists and friends of the record label. Family friendly entertainment starts at 1:00 p.m. and continues non-stop all the way through to 9:45 p.m.

03:00 pm – Swim Races

Okay all you guppies, flounders, barracudas, sharks, and whales – show up in your swim attire and get ready to compete for ribbons and cash awards! Begin assembling by 2:45 on the shores of the Louvier's Beach at Fire Post #46 or look for the banner displayed on the Northeast lakeshore.

03:30 pm – Boat Races

If it floats, then we'll let you race it! Show up in any kind of water craft and we'll find a category to put you in. Join in the fun and paddle, pedal, row or sail your way to victory. Boat races will begin immediately following the completion of the swim competition at Louvier's Beach at post 46.

10:00 pm – The 4th of July Finale

The fireworks display will again be launched from the fishing docks located off the shoreline of Angle Lake Public Park. The show will feature numerous shells lifted to fill the sky in an artistic display for ultimate viewing pleasure. Please note that for safety reasons the swimming beach and public boat launch at Angle Lake Park will be closed all day on July 4th for staging of the fireworks. Boaters are welcome to view the fireworks display from the water however will be required to remain a minimum of 210 feet away from the fireworks staging area.

Events of this size cannot be done without the help and cooperation of many people. A special and sincere thank you is given to each of the volunteers who have donated their time in helping to coordinate these events and to all our Angle Lake neighbors who have donated financially. Thank you for your support and contributions.

What's New from the President by Lonnie Goulet

‘THE ANGLE LAKE ‘FRANK HANSEN’ MEMORIAL REGATTA – This year, MAYBE???

By now, if you live on the shores of Angle Lake, most of you have talked with one of the volunteers making their way around the lake with a petition/survey requesting your position on how you would feel about the SEATTLE OUTBOARD ASSOCIATION (SOA) putting on a two day HYDROPLANE RACE REGATTA on September 10th and 11th from the hours of 11:00 am to 6:00 pm. As a reminder the petition was worded as follows:

The Angle Lake Shore Club, by way of this petition, is soliciting Angle Lake waterfront residents for their opinions as to whether or not we should invite the Seattle Outboard Association to put on a 2 day race regatta featuring small outboard hydroplanes suitable for a lake of this size on the dates referenced above. This would be a ONE TIME only TRIAL event that will require a variance from the City to waive the 8 mph speed limit (for this event only) and approval from the City to use the easterly portion and beach area of the Angle Lake Park for the pit area. Single residents shall be allowed one opinion while families shall be allowed two opinions per water front resident. If the IN FAVOR AND INDIFFERENT opinions represent at least a 60% majority for this event then it will be presented to the City for their consideration and subsequent approval. This ONE TIME TRIAL EVENT IS ENDORSED BY THE ANGLE LAKE SHORE CLUB BOARD MEMBERS.

On May 26th we attended a City of SeaTac LAND USE AND PARKS COMMITTEE (LUP) meeting to formally present this event to the City. In the meeting we reported on our petition progress followed by a presentation by SOA describing the event in more detail. This was followed by a question and answer session addressed to council persons Forschler, Kwon and Fernald. While councilmember Fernald seemed to oppose the idea, councilman Forschler requested that the city look into the permit requirements that will need to be satisfied by SOA in an effort to not hinder the SOA’s efforts in making this happen.

A followup meeting is scheduled for May 5th wherein we shall address further concerns by the City and look at what the permit requirements for the SOA would be.

I think it is important that everyone understands that the ALSC’s current board of directors are unanimous in maintaining the status of our current lake culture, however we believe that this event will provide an excellent opportunity for our younger generation. If this event is held, then the ALSC board of directors will discuss its impact and decide if we would like to make this an annual event. The ALSC board believes that after experiencing such things as the wake impact, noise, safety and pollution concerns and general impact on the neighborhood first hand it will provide us the opportunity to make an educated decision regarding whether or not to make this an annual tradition. If in the event the board approves the event, then another petition will be circulated to all waterfront residents to once again get their opinions on inviting the SOA back on an annual basis.

We think it will prove to be quite a fun weekend to have a mini Seafair in our own backyard and a perfect venue for throwing a last sigh of summer party.

Oh and by the way, the results of the petition through May 26th (with almost 86% of waterfront residents represented) we are seeing over 86% in favor or indifferent while just over 13% are against the event.

With this overwhelming support to give the event a try let’s hope the City and the SOA can work together to make this happen. Please look at our ALSC blog site for more information and updates

What's New from the President cont.. by Lonnie Goulet

BARGE PROGRAM UPDATE

The Barge Program donations are now at \$16,320.00 plus an additional \$1,000.00 in pledges bringing our total contributions to \$17,320.00. This still leaves us approximately \$6,680.00 needed to reach our goal, however, the board members feel unanimously that it is in all our best interests to keep moving forward with the program. Therefore we will begin implementing the next phases of the program as follows:

1. Finalize the form of contract that will have to be entered into by all parties who will ultimately become the recipients (owners) of the completed barge(s).
2. Begin contacting the lakefront residents whom have previously requested or shown an interest in becoming a barge owner. We shall work our way down the list (we currently have) in the order people signed up and look at their current dock conditions to determine compatibility with mooring requirements for the barge. Assuming they are viable candidates for barge ownership we will then ask for the required deposit (1/2 of the total cost of barge materials estimated to be between \$3,000 and \$3,500) to guarantee their position on the waiting list. The first 7 residents providing the required deposit shall become 'our' barge owners.
3. Finding a build site around the lake area and working out logistics for transporting the completed barge from the build site to the lake and from the lake to the owner's existing dock location.
4. Firming up the costs for the Plans, Hardware, Floats and Hull I.D. numbers for 7 barges.
5. Finding volunteers to assist in the construction of these barges.

Johnathan Standridge has kindly volunteered to act as our project manager to insure we achieve our ultimate goal of having the barges ready for a 2017 fireworks show in the middle of the lake.

In the meantime it appears that the City will once again be sponsoring a fireworks show similar to last year. Again keep in mind this was included as part of the 2 year budget approved under the old council. Under the newly elected council there are no guarantees (and I might even go as far as stating that it is unlikely) that a fireworks show will be sponsored by the City again unless it can be done so from private funding. With that said, please be aware that we are talking with Larry Ellis, the new Director of Parks and Recreation, with the City of SeaTac along with council members to try and reach some agreement for a collaborative effort between the City and it's residents to relocate the fireworks show back out in the middle of the lake thus keeping the beach and boat launch areas open to the general public throughout the 4th of July holiday and allowing us to increase the size of shells currently limited by the close proximity to the park area.

Again, thank you to all who have generously contributed thus far. If you are supportive of our efforts to bring the fireworks back to the middle of the lake and you have not yet contributed, please consider the great effort we are undertaking to make this happen and send your check addressed to the ANGLE LAKE SHORE CLUB, P.O. BOX 69477, SEATAC, WA 98168 and write the words 'BARGE DONATION' on the check so we can apply it to this 'set aside' account.

In closing just let me add how much I appreciate this community. I hope everyone joins me in appreciating the fact that we have an active social club, like the ALSC, and that we applaud the efforts of it's hardworking volunteers and never take this luxury for granted. It is a rarity in this day and age and it is what makes Angle Lake so very special.

Clean Sweep July 23rd

by Judy Williams

The ALSC is planning another great "Clean Sweep" event this year. We have scheduled this event for Saturday, July 23, 2016, from 9AM to noon. The ALSC will be helping all lakeside residents with property clean-up and trash removal. We will also be clearing our streets of trash and are hoping for enough volunteers to cover the area between International Blvd on the west to Military Road on the east, and from S 188th Street on the north to S 200th Street on the south. Last year we were able to clean 8 miles of streets and with your help, we look forward to doing that again.

If you live in this area, come to the Angle Lake Park Dock at 9 AM on Saturday, July 23, 2016, grab some heavy-duty trash bags and some picker-upper grabbers and join your neighbors in the fun. We are hoping all residents will volunteer to help their neighbors, and join us in cleaning up our neighborhood.

We will also be doing clean-up of the shore line and lake bottom at the Park and are looking for divers to help with the junk on the lake bottom. If you know anyone who dives, please contact Judy Williams at (206) 419-4637. We will pay for the air for their tanks and invite them to join us afterward for our picnic lunch and raffle. We will be asking the City to help with the removal of all the trash collected from the lake and our streets.

After the clean-up from 9AM to noon, we will provide a picnic lunch at the Angle Lake Manor Club Beach with food and a raffle of ALSC shirts. We hope to make this a grand day that will show real benefits for all SeaTac residents who love our neighborhood and the lake and enjoy using it.

In the meantime, please feel free to survey your area of the lake, lake-bottom and surrounding streets and open spaces and think about any problems that may need to be addressed in your area. If you see any, please let us know by contacting Judy at (206) 419-4637 and join us on the 23rd for another great lake event!

Tasty Tapas ready to set sail August 13th! Jim Todd

All you landlubbers prepare to take to the water for food, drink and camaraderie! Summer is coming and on Angle Lake that means our Tasty Tapas event is around the corner. We'll again cruise the south end of the lake August 13th in this, the 8th year of our annual celebration. I think we now have a couple more party barges lakeside so there should be plenty of room for those ready to play. So talk to your neighbors and remind them to save the date for the party of the summer!

Most of you already know how the day will unfold. We'll have 4 - 5 stations hosted at volunteered beaches serving tapas - Spanish for little bites. We'll split into groups and starting promptly at 4:00 rotate between the stations sampling great offerings. Then we all get together at 7:00 at the last station for dessert, coffee and to see who dressed up and who had the most fun! The event is open to shore club members and guests. The cost is \$30/person and it's the bargain of the year!

I've already heard a couple of fun themes suggested from folks ready to host a station. Feel free to dream up a theme for your party barge too. We still need a couple of stations, so if you are interested in hosting, please call Jim Todd at 206-226-9965. It's great fun to open your beach to the revelers. If you have any questions about how it works let us know. Those with boats capable of carrying parties also please let us know. Captains attend for free when carrying passengers.

We'd like to get an early count on how many plan to join us. Please get your tickets soon to help the planners plan! It's always been an amazing day so those who haven't joined us for this event before. please consider it. A great time will be had by all!!!

For tickets contact: Judy Williams jywfs@comcast.net

Angle Lake Fishing Derby Recap!

by Jim Todd

The weather gods played havoc with this year's edition of our Fishing Derby. Yes it was a rainy morning, windy and cool. People at Goulet Beach huddled close to the fire. Hardy souls were out on the lake tempting fish onto their lines. You know the old wives tale says that the fishing is best when it rains. Don't know if that is true.

There were some nice fish pulled out including a 16 ½ inch bass and a few 16 + inch trout. Despite the weather, we had a good gathering of neighbors coming in with their catches. We had a lot more come for the other festivities. By 11AM the rain tapered off and the wind died down and I saw some raincoats come off! The picnic lunch was, as usual, wonderful. Thanks to Nick and Mark - our chefs, and thanks to Roger May for his donation of 2 fat tasty salmon! Thanks also to Farmigo.com (our new online Farmers Market that delivers to Angle Lake) who donated some yummy food for us to share as well as 2 huge food baskets to be raffled as prizes.

Lunch was followed by our raffle and many lucky neighbors left with loot! Among the prizes won this year were a paddleboard, a camera drone, 4 nice Sounders tickets with parking, a floating island, several spa and dinner certificates from Cedarbrook Lodge, great bowling vouchers and tickets to our Tapas and Christmas Party. Often this event operates at a loss but this year we say thanks to folks who collectively bought enough raffle tickets to put us in the black! That's a little extra money that will be used to support some of the other shore club events in the coming year.

Many thanks to everyone who helped make this year's derby a success! Thanks to Bruce & Sandy Goulet for hosting, our chefs for the spread, Steve and Debbie Beck for Sounders tickets, Cedarbrook Lodge for their many prizes, Tani Rae – for bringing Farmigo to the table and all the volunteers that worked to make the derby happen. Thanks also to all our plucky neighbors who, as usual, came together to celebrate life on the lake!

Freshwater Shark Experiment

An excerpt from the ALSC Blog

By Fuzz Hill

The Washington State Department of Ecology released a press announcement Friday, reporting that Angle Lake in SeaTac has been selected to host "an in-depth study into the breeding and habits of several species of fresh-water sharks." Two hundred sharks are to be released into the lake including blue sharks, hammerheads, and a few great whites. The experiment is designed to determine whether the sharks can survive the significant fluctuation in temperature experienced between the cold winter and hot summer climate of the South Puget Sound Region. The study is being sponsored by a federal government grant of \$1.3 million to determine the effects that climate change will have on the sharks.

A representative from the National Biological Foundation was quoted as saying that there would probably be a noticeable decline in the populations of other fish in the lake because "the sharks will eat about 20 pounds of fish each per day, more as they get older." City of SeaTac officials were said to have protested the experiment, afraid of the hazard it would pose to fishermen and swimmers, but their complaints have been ignored by the federal government. Furthermore, it's stated that fishermen will be forbidden from catching the sharks. Anyone caught in possession of a shark will be arrested and face up to five days in jail and/or be charged with a \$250 fine.

The report concluded by again quoting the National Biological Foundation representative, who said that "We can't be responsible for people if they are attacked. Besides, anyone foolish enough to swim in Angle Lake probably deserves to be eaten anyway."

For further details about the study, please visit the National Biological Foundation Web Site at: <http://bit.ly/1qDi0kV>

Angle Lake Shore Club Branded Apparel

Angle Lake Shore Club T-Shirts are available for purchase! The shirts are high quality cotton in a very fashionable dusty blue color with distressed artwork in a white and navy blue design.

We're selling these shirts as part of our annual fireworks fund raising efforts to collect additional funds to cover the cost of procuring a barge and new fireworks contractor to produce the absolute best fireworks show this community has ever seen!

The cost of the shirts is only \$20.00 each and will be available for purchase at the Christmas Party and any of the other ALSC major events. Otherwise feel free to order the T-Shirts when sending in your annual dues or ALSC event fees or donations.
