

ANGLE LAKE SHORE CLUB NEWS

| Building a stronger lake community...|

WHAT TO EXPECT IN 2017

What better way is there to kick off the spring newsletter than by announcing some important updates of our efforts from the previous year?

BOARD OF DIRECTORS

First, I want to introduce and officially welcome our newest appointed board members:

1. Kari Fogelman - Newsletter Publisher and Promotional Advertising
2. Drew Clark - News Letter Editor and Assistant Publisher
3. Lynn Caster - Events Coordinator
4. Sandy Goulet - Welcoming Committee

event, you will also have the choice as to whether you would like it to be held in the second weekend in September (like last year) or changed to the early part of June. The latter is preferred by the race organizer due to the lake being at a higher level and thus a better possibility of being able to extend the course further down the lake. It would also attract more out of town racers to participate.

This brings our total number of Board Members to 13 and their additional help is greatly appreciated!

FRANK HANSON MEMORIAL 'ANGLE LAKE' RACE REGATTA

Volunteers will again be visiting our lakefront residents to present the follow-up survey to the one done last year that helped make this event possible for a one time trial basis. Now that we have experienced the event firsthand, the follow-up survey will be asking for your opinion on whether or not this event should be brought back on an annual basis.

Relative to the time of year, consideration should be given to the fact that while there are usually less swimmers in early June vs September (due to the warmer water temperatures in September) the fishing may be more active in early June. Also, I believe, the water park will be open after Memorial Day for those wishing to 'cool off' in early June.

BARGE PROGRAM UPDATE

The City has already approved waiving the speed restriction on the lake to pave the way for the annual event but it still must go through the permit process. For those residents in favor of this becoming an annual

The Barge Program contributions thru 2/15/17 are now at \$21,901.14 putting us over our revised projected goal of \$21,000.00 by \$901.14.

BARGE UPDATE *continued...*

For those of you who have supported this endeavor either through donations, volunteer work or simply in spirit, here is a **BIG BOOMING THANK YOU** for your awesome accomplishment. Any excess funds shall be reallocated to the emergency fireworks fund that we will be creating.

As of 3/4/17 here is where we are on the Barge Program and Fireworks Show:

- 1) All materials necessary for the Barge Build are now on site.
- 2) 4 out of the 7 total barges have been constructed and launched.
- 3) The formal agreements are complete and a total of \$12,000.00 (\$3,000 per Barge) has been received for the 4 completed Barges while a deposit

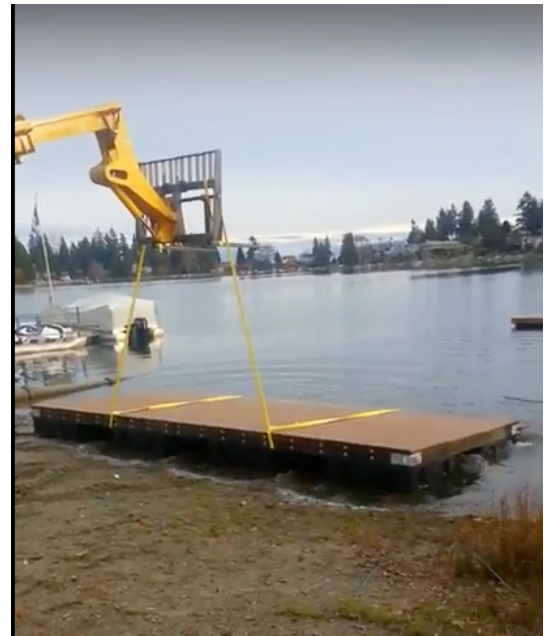

THE DOCK DOCKTOR IS IN!

Is your dock in need of repair or are you thinking about adding a dock? If so, you are in luck. Beginning in April and over the course of the following few months a contractor specializing in dock construction, repair, and piling replacement will be visiting our lake. If you are in need of any dock related services please contact:

Lonnie Goulet @ (206) 948-2009 for additional information.

- 4) a 5th Barge has also been received. A copy of the agreement is available to any club member for review. All funds received from barge owners shall be allocated exclusively for the emergency fireworks fund.
- 5) This leaves only two barges available with strong verbal interest shown by two parties thus far. Keep in mind however that only the receipt of the required deposit insures ownership.
- 6) The next build dates are scheduled for **MARCH 24th thru the 26th, beginning at 9:00 am, and on APRIL 8th thru the 10th** for completion and launching.
- 7) With a system now in place for construction we anticipate that we should be able to complete all 3 remaining frames and decking on the first build session. Then on the second build session, using a fork lift, we will flip the barges for installation of the floats, followed by launching them as seen in the video.
- 8) At this time we need volunteers to complete construction of the Barges. If you are a Barge owner or potential owner then it would be in your interest to provide volunteers in accordance with the barge agreement. Anyone else interested in helping may contact Jim Todd (206) 226-9965 or Pat Patterson (206) 793-6644 for more information.
- 9) There is no doubt that all barges will be ready for the 2017 fireworks show. An ALSC task force is currently meeting with city officials in an effort to coordinate the use of our barges in the middle of the lake for staging of the show.

ANGLE LAKE 2017 FISHING DERBY

Ok, after all this liquid sunshine it's time to welcome spring at the Angle Lake 2017 Fishing Derby. Even the fish are tired of

all this rain and I'm sure they will be ready to hop onto your bait to get out of all that water! Once again Sandy and Bruce Goulet have kindly agreed to host our event (Post # 21). **The date is Sunday April 30th.** Fishing starts at the crack of dawn and judging and prizes start at noon.

For those who don't know, The Angle Lake Fishing Derby is a classic community event and has been held annually for many decades. It's always a fun gathering but we'd love to make this one the best yet! We urge all of our lake community members to be involved, especially those of you who haven't tried it yet. Come out

into the great outdoors and participate in a fun, family-friendly fest!

The derby is not just for anglers. We expect plenty of folks of all ages out on the water casting for lunkers. However, many of us just come for the food. We'll have coffee and doughnuts in the morning followed by a barbecue lunch to warm your bellies. There will be a crackling bonfire on the beach to warm your outsides. It's a fine time to see neighbors you may have missed during the long winter hibernation and to meet new ones.

The prize for the biggest fish is \$117 and there are other prizes in categories based on age. All anglers are eligible - we've had fish catchers from about 3 to 93 years old. A fishing license is required for anyone 15 and older - check with the State department for requirements. Licenses can be purchased at Big 5 at 125 SW 148th St in Burien.

The third part of the event is our marvelous raffle in conjunction with the derby. This helps pay for our event and makes life at the lake a little more fun. We'll raffle off a TV and many other special prizes. Volunteers will be going around the lake to hand out flyers with all the derby details and selling tickets in early to mid April. Please be generous with your support so that we can continue to host this neighborhood gathering. It warms the heart to see all the involvement of our friends and neighbors. Angle Lake is a great community and it's great because of you!

Tickets for the derby are \$5 and proceeds are used to pay for the event. You must have a ticket to

enter the derby. In addition to entry into the event, tickets are good for food and drink on the beach and as entries for the raffle of prizes. Most folks will buy multiple tickets to help support the event and get better odds for winning a raffle prize. One ticket is \$5, 3 tickets for \$10 and 10 tickets for \$20. What a deal! Tickets will also be available for purchase at the event for those who'd like to participate.

So, if you arrive by boat, car or on foot we'll look forward to seeing you **April 30th**. If you'd like to help sell tickets, help out at the derby or need to buy tickets please contact one of the following people:

A big thanks to the Goulets' for being wonderful hosts. Please come support our community. If you cannot attend, please consider being generous with your raffle ticket purchase - you do not need to be present to win.

2016 ALSC ANNUAL CHRISTMAS PARTY

The annual Christmas party was held on December 7th at the lovely home of Mr. & Mrs. Minnihan. Upon arrival, the guests were greeted by the smiling faces of Judy Williams and Marge Murtha. The Minnihan's home was beautifully appointed in the holiday spirit and many community members attended in Christmas attire. It was easy to slip into the spirit of the season and celebrate the passing of another year together.

The evening was attended by approximately 80 guests. In spite of the weather, many guests gathered on the deck around the outside fire pit for a bit of holiday cheer and fellowship. Lovely, live music, performed by Mary Courtney, was enjoyed by all. Many also

visited in the basement which was also wonderfully decorated and easily accessed by stairs and a built in elevator! As in past years, a general meeting was brought to order and all listened intently to Lonnie Goulet, president, as he delivered the club report. Included in the report was an update on the barge construction and recognition of key volunteers.

Mr. & Mrs. Christmas was awarded to Bruce and Sandy Goulet for all they do to support the community - from hosting the fishing derby at their home to supplying their barge for the Clean-Sweep. As well as for their work on the hydroplane races, bartending for the Christmas party and supplying the decorated Santa boat to name just a few!

At the close of the meeting, all gave Lonnie a heartfelt round of applause for his recognition by the City of SeaTac and the Good Neighbor Recognition Program. Thank you Lonnie for all that you do for Angle Lake Shore Club and its members!

The remainder of the evening was enjoyed by all while feasting on an outstanding dinner catered by A Grand Affair. The menu highlights were salmon and green beans but those were nearly out shone by the desserts! Adult refreshments were served by our own Mr. & Mrs. Christmas, Bruce & Sandy Goulet. Their Seahawk attire was spectacular and appreciated by many!

The evening closed quietly with all returning to their homes with full tummies, feelings of fellowship and ready for a Merry Christmas to all!

Welcome Committee

It seems like only a few months ago, on one of the nicest Sunday's of last fall, Debbie Beck and I visited and welcomed fourteen different families to our wonderful Angle Lake Shore Club area. We now have six new families on our list for this spring when we venture out again. What a delight it is to visit with each and every one of them.

We need all of your help in letting us know if you have new neighbors for us to visit. We don't want to leave anyone off of our list and we certainly appreciate those that have let us know in the past. Just email or leave us a phone message at:

206-653-7412 for Debbie Beck
206-824-6748 for Sandy Goulet
206-852-952 for Becky Johnson
206-870-1887 for Marge Murtha

CHRISTMAS SANTA CRUISE

The ALSC Christmas Santa cruise is a holiday celebration not to be missed on Angle Lake. Watching the decorated flotilla offering a chorus of Christmas carols and cheer while cruising around our beautiful lake, truly, is a sight to behold!

The day began with a few hearty volunteers converging on Sandy and Bruce Goulet's home to transform the neighborly pontoon boat into a magical boat sleigh for Santa and the elves. Many mini-light and extension cords later, the boat was charming and a suitable home for Santa's evening adventure!

Unfortunately, Mr. S. Santa was unable to attend this year's cruise, but he sent his cousin, Mr. F Santa to greet our neighbors and spread holiday spirit throughout the community.

This year's cruise was held on the second Saturday of December, 12/10/16. With temps in the 30s accompanied

by rain and blustery winds, Santa and the Elves came dressed to impress and stay warm!

With 10 scheduled stops Santa was quite busy listening to holiday wishes and dreams and sharing gift bags with each child.

Not a year goes by that we are not humbled by the simple wish of a young child. We so appreciate all the families in our community and wish the spirit of Christmas and the holiday season would continue throughout the year!

POLAR BEAR PLUNGE

Where oh where were the polar bear?

All conditions were perfect for them. Two inches of fresh fallen snow, a bracing 33 degrees air temperature and lake water a tepid 41 degrees. Food was plentiful thanks to Julia Patterson who picked out wonderful treats. Special thanks to *Azteca* for donating the huge platter of Mexican food. The incomparable Vennettis added cocoa, coffee and cider and kept the smorgasbord flowing onto many tables generously lent by the Lenzes. Thanks to Bruce and Sandy Goulet, there were plenty of spirits to spice up the drinks. What more could a bear want?

The Pope even showed up, as did a huge snowman and the Polar Bear Queen (PBQ). But unfortunately, many fair weather polar bear of Angle Lake were in hibernation. Fifty people, half the number of last

year, came out to feast and support 6 brave plungers, one of

whom put on the best show of all time. Brian Nelson took a running plunge and swam swiftly to the dock where three EMT Rescue crew were stationed. They watched surprised, as Brian threw himself on the dock and rolled over and over in the fresh snow.

They were about to capture him for a 'mental evacuation' when he jumped to his feet and launched himself in a 360 degree sideways, cannonball flip into the water. The small crowd screamed and laughed at the spectacle, more than making up for their small number in volume.

The Pope, Fuzz Hill, stood knee deep in the frigid water giving a high five blessing to each bear who returned to shore. They all did return; in case you were wondering.

POLAR BEAR PLUNGE*continued...*

Just as in all previous years, the EMT had nothing to do but applaud.

As bears changed into warm clothes by the roaring fire, built and tended masterfully by Tony Duncan, the PBQ passed out certificates and bendy polar bear prizes. She has a lot left over, so next year let's quadruple the number of polar bears plunging.

Thanks to the efforts of Bob Simmons, Sally Andrews and the 'bearly' recognizable, black haired, mop headed, Julie Hill, 100 pounds of food and \$245 was collected to replenish the Highline food bank depleted from holiday demand.

Of course that is whole 'reason for freezin' so we are proud of the generosity of our small crowd. They donated about half of what we pulled in last year in food but exceeded the dollar donations by about \$25!

We rewarded their generosity with the raffle for fabulous prizes. No one was disappointed

that more people had not shown up at this point, as there were lots of prizes and few raffle tickets increasing the chances of a win. It worked so well that two people won multiple prizes.

This caused consternation among those whose tickets were not called, so we are considering a new plan for next year. People can still have multiple chances to win by bringing lots of food or cash donations, but they can only keep one prize. They get to choose which of the prizes they want to keep and the rest will go back in the hat for another draw. What do you think, good idea, or not?

Here is the list of the fabulous prizes and the wonderful local businesses who generously donated them. Please consider patronizing these businesses and be sure to mention the "Polar Bear Plunge":

Cedarbrook Lodge

(18525 36th Ave S)

- Overnight stay & breakfast
- Fifty minutes spa treatment (2 certificates)
- \$150 Dinner Copperleaf Restaurant (2 certificates)

Paws in The Park

(17833 1st Ave S.)

- \$50 yummy dog treat basket

Project Solutions

(206-229-4461)

- 2 certificates for 2 hours of Contractor work (\$165 value)

Tin Room Theatre

(923 SW 152nd, Burien)

- \$20 gift certificate

Advanced Massage

(2120 SW 152nd, Burien)

(206-244-7973)

- One hour exquisite massage

Azteca

(153 SW 157th St, Burien)

- Platter of piping hot Mexican food

Thanks to Jonathan Standridge, who acted as photographer and organizer, there are great photos of the action posted on the ALSC blog or just follow this link: <http://bit.ly/2ih7grl>

The very last photo is actually a video of the hilarious snowman wiggling her carrot nose. She kept mum about her identity, but rumor has it, that Sherry Yapp was the mastermind behind (and inside) the prize winning costume.

Probably because her paws were frozen, The PBQ forgot to award the prize for Best Costume at the event but after she thawed, she delivered to the snowman the prize of a gift certificate from Project Solutions worth \$165 of contractor help.

It pays to play dress up and show up!

2nd ANNUAL TREE LIGHTING CEREMONY

What a fun and festive time! Even through the smattering of rain, it was so much warmer than last year, which was brutally cold and foggy, as so many of us recall.

The Venue was the best! Rodger and Lisa May are great Hosts, having the grounds so beautifully decorated and lighted. It truly is a pleasure for everyone to participate in this yearly event. When the Big Christmas Trees and Décor lights were switched on, it was beautiful and breathtaking.

The Christmas spirit was indescribable. Everyone was so happy and really enjoying themselves. We visited with old and new friends and neighbors we rarely get to see. The crafted Christmas drinks and food were delicious!

The big highlight of the evening was the Fire Engine with Santa and his helper aboard. The children loved it and so did the adults (even more, so I think!). Where Santa is concerned we never forget our memories from long ago.

A special big **Thank You** to Rodger and Lisa May, Fuzz and daughter Jaclyn, our traffic controllers, bartenders, buyers and event planners, Fran Reid

and her wonderful Choral Singers along with String accompaniments. With everyone singing along, it was absolutely beautiful. This event is SO Wonderful, we all appreciate you so much. Our Angle Lake Community is the best, it's where we all belong.

BOO CRUISE SPOOKTACULAR

The ALSC Boo Cruise SpOOKtacular 2016 was a successful event! The Goulet Brothers, Boat Captain Bruce and Dock Master Lonnie, set pontoon sail enduring wet and cold conditions. Despite the October grey skies, the event had more participants than ever before! Annie Goulet had made special Halloween goodie bags for all the boys and girls in costume, and with perfect luck we had the exact amount for the day!

For pictures of this wonderful event, check out the ALSC photo album at this link:

<https://goo.gl/photos/SCVWYfVHRcS3JPeo7>

By Rosalyn Rombauer

Fuzz (aka Zorro) and Julie (Safari Guide) Hill helped organize the cruise and assist children on the dock. Rosalyn Rombauer (Cat) helped hand out candy to tricker treaters and Tani-Rae, photographer, captured photos of each special moment.

Events like these are the reason why our lake is special. It brings people together, of all ages, and gives the opportunity for neighbors to be a community that supports each other. As our event gets bigger and bigger each year, we plan on making sure we increase the number of goody bags, as well as increasing our wonderful memories.
