Celebrating America-Angle Lake Style!

Give your imagination muscles a workout designing your parade entry or go for broke with a float! Put your tennies to the test in your attempt for the fastest time around the lake and take home the coveted Bud Jones Memorial 5K Race trophy. You can also splash your way to victory in our swimming or

boating races, or simply pull out a blanket to cheer on your favorite competitors in each of the all- American Fourth of July celebrations! Angle Lake's festivities definitely offer a great variety and are a reflection of the all-American traditional Independence Day celebrations.

complimentary ice cream treats. Yum!

11:00 am - Bud Jones Memorial Walk and Run Around the Lake

Compete against your neighbors for bragging rights and prizes and trophy as the fastest runner to complete the course around the perimeter of the lake. Race will begin at Post 35. Pre-registration begins at 10:30am; Fitness Walk at 11:00; Competition Race at 11:30 - finish by 12:00.

Also at 11:00 am - Children's Play

Area and Water Spray Park

Angle Lake Park will be the site for various giant inflated slides and bouncy houses. Purchase an all day pass for \$5 to participate. If inflatable's aren't your thing, then a safe, thrilling alternative would be to cool off in the spray park that features numerous spray nozzles for kids to run through and play in. If you dare, endure a drenching from the Mega Soaker, a 55 gallon container that fills with water and spills over onto the surface and anybody under it every few minutes. Note: the beach and boat ramp will be closed all day to prep for the fireworks display.

1:00 pm - Dock / Beach Decoration Judging

Get those creative juices flowing to come up with the most impressive Independence Day display. Wow the socks off our judges to win a prize of \$100 Gift Certificate for First Place! \$75; \$50; \$25; or Beach Towel for 2nd - 10th place respectively.

1:00 pm - Live Stage Entertainment

Entertainment is sponsored by the City of SeaTac featuring Maurice the Fish record label artists and friends of the record label. Family friendly entertainment starts at 1:00 p.m. and continues non-stop all the way through to 9:45 p.m.

03:00 pm - Swim Races

Okay all you guppies, flounders, barracudas, sharks, and whales - show up in your swim attire and get ready to compete for ribbons and cash awards! Begin

assembling by 2:45 on the shores of the Louvier's Beach at Fire Post #46 or look for the banner displayed on the Northeast lakeshore.

04:30 pm - Boat Races

If it floats, then we'll let you race it! Show up in any kind of water craft and we'll find a category to put you in. Join in the fun and paddle, pedal, row or sail your way to victory. Boat races will begin immediately following the completion of the swim competition at Louvier's Beach at post 46.

7:30 pm - Parade of Decorated Boats

Calling all you captains, we're looking for you and your crew to join other neighbors and their boats in a evening parade around the lake! Share your holiday cheer with those on shore or perhaps prepare for some wholesome "Super Soaker Battles" out on the high seas!

10:00 pm - The 4th of July Finale

The fireworks display will be launched from the fishing docks located off the shoreline of Angle Lake Public Park again this year. The show will feature a

spectacular display of explosions filling the sky for an ultimate visual treat.

Please note that for safety reasons the swimming beach and public boat launch at Angle Lake Park will be closed all day on July 4th for staging of the fireworks. Boaters are welcome to view the fireworks display from the water however will be required to remain a minimum of 210 feet away from the fireworks staging area.

Events of this size cannot be done without the help and cooperation of many people. A special and sincere thank you is given to each of the volunteers who have donated their time in helping to coordinate these events and to all our Angle Lake neighbors who have donated financially. Thank you for your support and contributions.

Friday Nights @ the "EL"

The long cold (not to mention rainy) winter of our discontent is over and what a better way to celebrate and enjoy the lake, the sun and our neighbors than a cold cocktail (or other beverage of your choice) while floating at the 'EL'?

Yes, it is back!! FRIDAY HAPPY HOUR at THE EL!!

Bring your boat, your kayak, your floaty, or hitch a ride with your neighbor. Friday at the 'EL' is Angle Lake Shore Club's no-host cocktail party that is held every Friday from Memorial Day through Labor Day from 6pm - 8pm.

So bring your friends, family or your neighbor and don't forget to BYOB.

PS For those not sure where the 'EL' is, It is the bend in the lake's ELbow. Hope to see you out on the lake!

August 12th is Tapas Time!!

Summer is coming and on Angle Lake that means our Tasty Tapas event is just around the corner. For many of us it's amazing that 2017 is the 9th occasion of our signature summer party. Make sure you attend; because rumors are that we may be trying something new next year!

Most of us already know how our day will unfold. We'll have 4 stations hosted at volunteered beaches serving tapas - Spanish for little bites. We'll split into 4 groups and starting promptly at 4:00, rotating between the stations sampling food, drink and our hosts' cordiality. Then we all get together at 7:00 at the last station for dessert, coffee and swapping of stories. The event is open to shore club members and guests only so make sure your membership is up to date. The cost is \$30/ person and it's the bargain of the year! After the winter, we've had we all need some summer fun.

This year finds us back cruising the short leg of the lake. If you are on that side of the water please consider hosting. The last couple years have been a bit of struggle finding enough hosts to put on the event so as Uncle Sam says "WE NEED YOU". If you are interested in hosting please contact Jim Todd at 206-226-9965.

Don't be shy - if you need help, we can always find others willing to step in. We could also use some volunteer's with boat to help shuttle neighbors to and from the event. As a thank you from the ALSC the Captain's of the boats attend for free. We expect groups and hosts to have interesting themes to set themselves apart - we're not sure why but it seems to happen! If you're new to the event just go with the flow!.

We'd like to get an early count on how many plan to join us. Please get your tickets soon to help the planners plan! It's always been an amazing day so those who haven't joined us for this event before please consider it. A great time will be had by all!!!

Many Hands Make Light Work

Cleaning Angle Lake is no small task! However, this large task becomes smaller when divided among several people. Let's organize to make this year's Clean Sweep the Biggest Turn Out yet!

The ALSC is planning another great "Lake Bottom Clean Sweep" event this year.

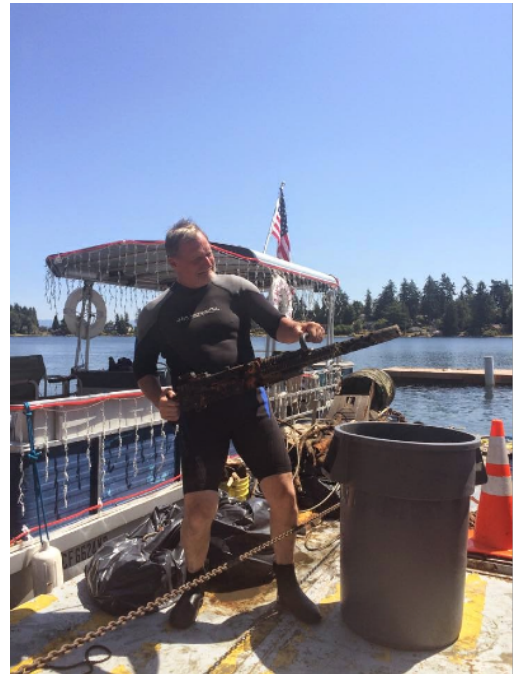

help, we look forward to doing that again.

If you live in this area, come to the Angle Lake Park Dock at 9 AM on Saturday, July 22, 2017, grab some heavy-duty trash bags and some litter picker-upper grabber thingies and join your neighbors in doing good deeds while have some

We have scheduled this event for Saturday, July 22, 2017, from 9AM to noon. The Shore Club will be helping all lakeside residents with property clean-up and trash removal. We will also be clearing our streets of trash and are recruiting volunteers to cover the area between International Blvd on the west to Military Road on the east, and from S 188th Street on the north to S 200th Street on the south. In prior years we were able to clean 8 miles of streets and with

great fun. We are hoping all residents will volunteer to help their neighbors, and join together in cleaning up our neighborhood. We will also be doing clean-up of the shore line and lake bottom at the Park and are looking for divers to help with the junk on the lake bottom. If you know anyone who dives, please contact Lynne Caster at anglelakesc@gmail.com. The club will pay to air up for their tanks.

All Volunteers who participate are invited to attend a picnic lunch at the Angle Lake Manor Club Beach with sandwiches, chips, soda and a raffle prize drawing for ALSC branded t-shirts. We hope to make this a grand day that will show real benefits for all SeaTac residents who love our neighborhood and the lake and enjoy using it. In the meantime, please feel free to survey your area of the lake, lake-bottom and surrounding streets and open spaces and think about any problems that may need to be addressed in your area. If you see any, please let us know by contacting Lynne Caster at anglelakesc@gmail.com and join us on the 22nd for another great lake event!

ANGLE LAKE 2017 FISHING DERBY: A RESOUNDING SUCCESS!!

This year's Angle Lake Fishing Derby attracted nearly two hundred participants who lined the shores and water of the lake. Many thanks to all the volunteers for their dedication and hard work. They put countless hours in behind the scene assembling BBQ's, set up and clean up, shopping for the prizes and food making this a successful event.

The morning started out with a continental breakfast hosted by the humorous and witty Vennetti Twins, Corky and Mikey.

The lake was scattered with zealous fisher men, women, boys and girls. They trolled the waters and approximately sixty fish were entered into the contest! There was one entry that wasn't a fish at all it was a 3' Eel presented by none other than the infamous Greg Reith! My Oh My!

As the derby was winding down, our excellent chefs, led by our one and only Nick Nichols, was assisted by Mark Johnson and Jonathan Strandridge. The delicious lunch consisted of many mouthwatering dishes and the centerpiece of the delicious meal was a beautiful 45lb King Salmon, donated by the generous **Roger May family**.

For the kiddo's there was a Kiddie Pool where the children used a fishing pole to hook a rubber duckie and win a prize. This event was provided by Jim Todd, and officiated by Steve Beck, who provided the kiddies with a fun challenge.

After lunch, it was time for the lucky winners to be presented with their prizes, by Lonnie Goulet, President of ALSC.

Thank you to Judy Williams and Marge Murtha who were busy selling raffle tickets and Shore Club T-Shirts. This year's raffle was a great success, there were an outstanding amount of tickets purchased before and during the event, a big "Thank you" to all those who so generously contributed to the success of the raffle event in support of the Shore Club.

Hippity Hop Bunny Dock Stops!

Early Easter Morning, the weather unseasonably warm, winds calm, the sun just rising over the eastern hillside. Tucked away in the southwest corner of the lake sat a pontoon boat, parked and ready to welcome a fluffy white figure, whose long ears stood erect with a basket full of eggs in hand - it was none other than the Easter Bunny preparing to set out on a voyage to visit the eagerly awaiting children of Angle Lake.

With Captain Brian Fogelman behind the wheel and first mate Kari Fogelman there to provide navigational assistance for keeping the stops in order and the schedule on

time, the Bunny Boat departed promptly at 9 am.

With festive music playing from the onboard PA and a periodic honk of the horn we alerted the eagerly awaiting children along the shoreline that Peter Cottontail was approaching. Lynne 'with a Grinn' Caster made sure Peter kept on schedule completing the journey around the lake. In just under two hours we were able to meet over 50 children throughout the day.

All 46 treat baskets, prepared by Annie Goulet, were presented to children bearing big smiles and offered a warm hug in return.

Thank you to our volunteers who help to make this a huge success each year!

By Kari Fogelman

It was the perfect spring day for your Welcoming Committee to venture out and meet 14 new neighbors. Debbie Beck, Sandy Goulet and I had the pleasure in welcoming back a family that had grown up on the lake, and had relocated for many years for a job with an airline. They are very excited to be back home among family and friends.

Our Welcoming packet contains the membership sign up form and a great deal of historical information as well as some dining guides, points of interest and the ALSC event calendar.

Thank you to everyone who submitted new resident's names as we depend on this information so no one is left out.

FRANK HANSEN MEMORIAL 'ANGLE LAKE' RACE REGATTA

'AnnuALL' or 'Notat ALL', that was the question. As promised, a group of volunteers contacted our lakefront property owners to present the follow up survey regarding the hydroplane race that took place last September.

weekend in September the results were as follows:

1. 17.99% preferred the 2nd weekend in September
2. 12.97% preferred the 1st or 2nd weekend in June
3. 69.04% were fine with either time of year

- b. We recommend any water activity at private waterfront lots be limited to between the shoreline and dock areas and that all children are under constant adult

This survey was designed to obtain the opinions on whether or not they were opposed to, indifferent to or in favor of inviting the Seattle Outboard Association's race back to our lake on an annual basis. With 85% of the homes surveyed thus far the results of those responding to this latest survey are as follows:

1. 77.16% favored the return of the race
2. 14.13% were indifferent to the event one way or another
3. 8.71% opposed the return of the race
4. 91.29% were either in favor or indifferent to the event being brought back on an annual basis

Relative to the question asked about the time of year folks preferred when considering early June to the second

Here are some things to remember regarding this event:

1. Racing hours - 10:00 am to approximately 5:00 pm on both Saturday the 9th and Sunday the 10th
2. Park Restrictions and Lake Closure will be formally addressed in the Special Use Permit for the event. In addition here are some guidelines for those private property owners along the shoreline to consider:
 - a. While the East / West leg of the lake will most certainly be closed to public during the event some type of barrier will be in place to separate the north / south leg of the lake that will remain open for public use.

supervision to avoid anyone from encroaching past the dock lines.

- c. Make sure that all privately owned boats, equipment, toys, etc. are fully secured to minimize that chances of drifting into the race course.
3. This special event is fully operated and funded by The Seattle Outboard Association and is NOT an ALSC event, however the ALSC does endorse this event.
4. We want this to be a fun event for those that supported it and a safe event for everyone.

Sincerely,
'Your' ALSC Board of Directors

No Captain, No Problem: Self-Driving Boats

RoBoats on Angle Lake

Imagine if everyone could get around the lake easily and safely, without tired, distracted or inebriated drivers. Time spent boating could be time spent visiting instead! With robot operated boats (aka: RoBoats) that concept is rapidly becoming a reality!

Driverless Vessels on Angle Lake?

At the March 14th study session, science guy Bill Nye asked the SeaTac City Council if it would be feasible for “autonomous” or driverless vehicles controlled by computer program and not operated by a human being to begin functioning on Angle Lake.

This is not about a “science project,” Nye said, but about discovering the reality of such future development, “will people buy into this,” adding that “safety is very important to us” and that test vehicles will be certified and

marine legal. SeaTac, said Nye, could be a “center for excellence” with such a study that eventually could get federal or other grants and open additional development possibilities.

With other ‘driverless’ studies ongoing nationally for cars, the opportunity exist for SeaTac to become first in the nation for recreational pilotless seafaring vessels. The Council acknowledged that it would be cool to hop a driving boat and go for a nice cruise. When asked, Nye did confess that the boats would still only be equipped with self serve bars as robotic bar tending technologies are still several years out.

How it works

The actual idea of a vessel without crew is not new. As far back as 1973, Rolf Schonknecht, in his book ‘Ships and Shipping of Tomorrow’, envisaged a future where a ship’s captain could performed his duties in an office building onshore, while an on-board computer navigated the ship.

Nye stated “We’re building a safer boat captain that is always alert and never distracted. Our fully self-technology will handle all boat operations so you can go from dock to dock without ever having to take the wheel.”

The vessels are equipped with sensors and software that are designed to detect swimmers,

kayakers, paddle boarders, water fowl, other boats and more from a

distance of up to two hundred yards away in all directions. Imagine if you will the following situation; our vehicle is about to drive straight across the lake surrounded by many other objects nearby, including a kayaker up ahead. The boat sensors observe that the kayaker has extended their left arm. Detecting the kayaker’s hand signal, our onboard software predicts that the kayaker will move to the left side of our path of travel. Our software then plans for our boat to slow down and make room for the kayaker to pass safely and comfortably ahead of us. Our boats sensors and software detect and predict the behavior of not only the kayaker, but of all the lake traffic and swimmers around us.

This autonomous technology relies on over 2 million terrestrial miles of real world experience collected from driverless street vehicle testing and has taught boats to navigate safely and comfortably through everyday marine traffic. The self driving boats will operate safely through many complex scenarios in real open water situations and can adjust to unexpected changing conditions like floating debris or obstructions and respond to complex cues at docks and boat ramps. We’ve also taught our boats to drive defensively, so they try to stay out of blind spots and nudge away from larger vessels or groups of swimmers.

The first autonomous vessel is set to debut Sunday, April 16th during the ALSC Easter Bunny Dock Hop.
