| Building a stronger lake community...|

## Letter from the President

Here we are gearing up for 2018 with me in my 10<sup>th</sup> year as your President of the ALSC. I, for one, am quite satisfied with how the club has evolved. It has been quite a journey for me to witness firsthand how personal interaction with your neighbors

through club events can lead to and build such a unique and wonderful network of friendships seldom seen in these modern times within America's inner cities or suburban areas. I like to call it 'Old School'. With that said, I know there is always room for improvement so it is my goal to issue a survey by mail to all members asking you to let us know how we are doing. Your participation in this survey will allow the club to continue and tweak events that you favor while perhaps doing major overhauls on others and possibly eliminating those events that receive the lowest ratings or get the least interest.

Here are my main points of interest for 2018:

**BARGES:** With barge construction finished we are now completing the final paperwork to make it all official. I am happy to report that working within the budget of \$42,531.10 (consisting of money collected from the donation drive and barge sales) we were able to complete the construction of all 7 barges and 4 anchor systems. We were also able to set in reserve \$500 to buy 2 more anchoring systems and retain \$2,693.54 for a Maintenance Fund to be used solely for use in repairing damage incurred to barges while

in the possession of the ALSC. The barges will be useful not only for the 4<sup>th</sup> of July but also for the Fishing Derby, Clean Sweep and Hydroplane Races. Thank you to everyone who supported this effort.

**FIREWORKS:** The Club has reached an agreement with the City to produce the fireworks display from private barges located in the center of the lake. This move allows the swim beach and park hillside to remain open and unrestricted for public access and increases viewership from the new nature trail area as well. The Board fully recognizes the importance of making this year's show one heck of a display to reward the community for the all the effort it took to complete our barge program. As of March 2<sup>nd</sup>, the agreement with the City is to produce a \$20,000 show. Of this amount, the Parks Dept. along with commercial sponsors will finance \$16,000 with the remaining \$4,000 guaranteed by the Shore Club.

As a policy, the Shore Club maintains a current minimum reserve for fireworks. In the event that we cannot find additional commercial sponsors for the Club's guaranteed portion, it will be paid out of this reserve fund. If this occurs, we'll need to replenish the \$4,000 this year to ensure the Fireworks Fund minimum reserve balance

is maintained. We've typically collected these funds with volunteers going door to door so look for more information in our summer newsletter regarding this matter.

**2018 PHONE DIRECTORY:** We know that ALL of you living around the lake always look forward to our yearly doorbelling visits when we sell raffle tickets to support our annual fishing derby so we thought what better time for verifying names, addresses and phone numbers for use in updating our member's neighborhood directory. With everyone's cooperation we hope to get a new directory out by the end of May. We accept ads for the directory, if you would like to highlight your business or service.

**TASTY TAPAS:** Another reminder that we are intending to navigate the West to East leg of the lake this year. If you are interested in keeping this fun tradition alive and have waterfront property on this run of the lake, please let us know if you would consider hosting a station as early as possible.

I thank each one of you for your active and/or financial participation and helping to make our neighborhood one that I am proud to be a part of.

Again, thank you for making our neighborhood one that I am proud to be a part of.

### ANGLE LAKE 2018 FISHING DERBY

Once again, Sandy and Bruce Goulet have kindly agreed to host the Fishing Derby (Post # 21). **The date is Sunday April 22<sup>nd</sup>.** Fishing starts at the crack of dawn and all contestants must be docked at the Goulet's dock by noon, which is when we will start the judging and awarding of prizes.

The Angle Lake Fishing Derby is a classic community event and has been held annually for many decades. It's always a fun day for fishers and non fishers alike starting with breakfast and ending

## Angle Lake 2018 Fishing Derby (continued)

with a great barbecue and prizes.

We urge all of our lake community to be involved, especially those who haven't tried it yet. Come out into the great outdoors and participate in a fun, family-friendly fest! The derby is not just for anglers. There will be plenty of folks of all ages out on the water casting for lunkers but many of us just come for the food! We'll have coffee and doughnuts in the morning followed by a barbecue lunch that often features salmon along with burgers and hotdogs and great salads.

There will be a crackling bonfire on the beach to warm you and tents to shelter you in case of rain. It's a fine time to see neighbors you may have missed

during the long winter hibernation and to meet new ones.

The prize for the biggest fish is \$118. There are lots of other prizes in categories based on age. All anglers are eligible – we've had fish catchers from about 3 to 93 years old. A fishing license is required for anyone 15 and older – check with the State department for requirements.

Licenses can be purchased at Big 5 at 125 SW 148th St in Burien.

The third part of the event is our exciting raffle in conjunction with the derby. This helps pay for the derby and gives everyone, present or not, a chance to win. We'll raffle off many valuable prizes. Volunteers will be going around the lake to hand out flyers with all the derby details and selling tickets in early to mid April. Please be generous with your support so that we can continue to host this popular event. You don't need to be present to win so have some return address labels handy

when we come by and put them on your tickets. That way, when you win, we can deliver your prize.

Tickets for the event are good for entry to the derby, food and drink and as entries for the raffle

of prizes. Single tickets for the derby are \$5. You must have one ticket to enter the derby and/or eat lunch. Most folks buy multiple tickets to help support the event and get better odds for winning a raffle prize. One ticket is \$5, 3 tickets for \$10, 6 for \$15 and 10 tickets for \$20. What a deal! Tickets will also be available for purchase at the event for those who'd like to participate. If you arrive by boat, car or on foot we'll look forward to seeing you April 22nd.

If you'd like to help sell tickets, help out at the derby or need to buy tickets please contact one of the following people:

### Annual Christmas Party

Each year we have a wonderful and different venue. This year it was like going back in time having our ALSC Christmas Party at the Jones' Beach home. On a very cold and rainy night approximately eighty ALSC members and guests enjoyed the wonderful hospitality of Nancy (Jones) Erickson, a very gracious and lovely hostess welcoming each and every guest and representing her late parents as well. It was awesome of her to offer the home and even more awesome of her tenants, Mary and Bill Cousins,

to agree to open their doors to such a crowd on a cold winter night! They were incredibly good sports and we appreciate them.

After a terrific social hour with Sandy and Bruce Goulet at the helm behind the bar as well as great hors d' oeuvres being

## Annual Christmas Party (continued)

served it was time for our Annual ALSC meeting. President Lonnie Goulet greeted everyone and introduced new neighbors to the community. He reviewed many details of the past year's events and plans for the new kick off into 2018 for another great year.

What a great surprise and shock when Lonnie Goulet and Marge Murtha were named Mr. and Ms. Christmas! The whole room erupted with grand applause.

Pictures were taken and we were speechless. Deep down we were both thrilled and very appreciative for this wonderful honor. We both really promote and endorse the ALSC. It's a wonderful organization where we all feel like we belong. A delicious catered dinner followed with many choices and something for everyone as well as a nice variety of desserts.

Comments for days after included 'Lets do it again next year'; others commented they were sure Bud and Billie Jones were amongst us with their great smiles and spirit. For those that did not know them well, they were part of the Shore Club for over 50 years.

We want to say a huge thank you to all of the volunteers led by Julie Hill who worked so hard and organized the dozens of details needed to put this wonderful annual event on from start to finish. We appreciate all of your help and dedication each and every year; together we all make it happen.

## Boo Cruise Spooktacular

It was the Eve of the Eve of All Hollow's Eve, when the infamous BOO Cruiser set sail on the calm, but eerie, waters of Angle Lake. Its mission - to encircle the lake shores in search of children and their families dressed for this ghoulie event, visiting some 11 stops to meet those anxiously anticipating this Spooktacular delivery of "trick or treats"! The BOO Cruiser swiftly emerged

from the chilly waters piloted by the spine chilling grim reaper and his ghastly crew - the notorious Michael Meyers, the skeleton zombie bride, the red neck duck hunter, the wild west

pistol packin Annie Oakley and the hair raising Mrs. Pac Man. These ghouls were greeted by dozens of familiar and uniquely costumed trick or treaters and their families. There were pirates, notable Halloween characters, mustard and catsup, dinosaurs, a very old man, wonder woman, and a nutty professor! Even Mary Poppins flew in! Photos were taken and memories were made. Generous bags of goodies were given out to some 50 cheerful trick or treaters and their families. Upon completion of its mission, the BOO Cruiser slowly disappeared into the misty waters of chilly Angle Lake... to emerge again on next Hallow's Eve. Go to the Angle Lake Blog Site photo albums for pictures of this very successful event.

## 2018 New Year's Day Polar Bear Plunge

Magic was in the air on this crisp, sunny New Years morning! Many people sported fabulous costumes creating a carnival atmosphere. Sherry Yapp nailed best in show again this year as a Christmas tree. An unprecedented eighty-nine spectators showed up to cheer a record nineteen plungers jump in the lake.

The magic was evident when we realized that gatherers donated exactly 210 pounds of food and (get this) \$210 dollars to the Food Bank. If that wasn't coincidence enough two young people chosen to pull raffle tickets out of the jar each pulled their own names! Major mojo! And speaking of magic, many people stepped up to help pull off the chilliest beach brunch of the year. They truly made the day! It wouldn't have happened without each of their contributions. Thank you: Deb & Tony Anderson, Jonathan Standridge, Jim Todd, Fuzz Hill,

Julia Patterson, Brice & Patti Lenz, Bruce Goulet, Bob Simmons, Tony Duncan, Patricia Morinelli, John Lucas, Marge Murtha, Val Vavrik & everyone helping who weren't even asked to volunteer.

Especially appreciated by all were the donations by Starbucks of coffee and hot water; by Azteca of a warm food platter and by Trader Joe's of gluten free pastries.

The most appreciated part of the

day was the big raffle drawing. Fabulous raffle prizes were donated by local

businesses.

Please visit them and show them we appreciate their support of our community. They were: Cedarbrook Lodge and Restaurant in SeaTac, Wild Birds Unlimited in Burien, Ultimate Solution Hair Salon by the YMCA, Trader Joes in Burien, Starbucks and Paws in the Park in Normandy Park, and Azteca and the Tin Room in Burien.

WELCOME  
to the  
neighborhood

Here we go again, in a few weeks we'll be welcoming at least eleven new neighbors to our wonderful community.

Debbie Beck and I really enjoy our time going out and meeting these new residents getting settled into their new homes.

The welcoming packet we put together and hand out contains information about the ALSC but also about local services including bus transportation, light rail, restaurants, shopping, tours, sightseeing trips and much more. It also includes a free Highline Bowling Alley Coupon donated by Val and Pat Johns that includes bowling for the whole family, a very nice event for sure.

Remember, we depend on all of you to keep us posted on any one who has moved in, just email either of us at:

**To all Angle Lake Residence's, we received the following letter from Santa's North Pole address on/or about February 28<sup>th</sup>, 2018:**

**HO HO HO! SANTA CLAUSE HERE....**

*Mrs. Clause said I should send a letter of thanks to all the kids I visited on Angle Lake this year. You all are so special & the stories I heard from each and every one of you touched my Heart! So you should have received what you asked for on Christmas day.*

*It was nice to see that for the majority of my visits, the kids' teeth & ears were very clean this year. The main captains of the boats Launcier & Brucier did a great job of decorating their boats. In fact, now Rudolph has complained to the Senior Lighting Elf about adding more colored lights to the reins next year, along with louder music so everyone on the lake knows that Santa is coming! Next year.*

*Mrs. Clause and our head Elf have been ordered to add more Candy to the packets that Kids receive as a nice reward for the kids keeping their teeth clean. Mrs, Clause asked me if I thought the kids that have visited me the last 6 years were growing up smarter and more polite than I could ever imagine, and . . . I gave a resounding YES!*

*I was touched by the requests by some of the older kids this year, asking for bikes for their younger Brothers and sisters, it just show's how kind and well raise these children are by their Parents. Now for next year . . . don't forget to organize your neighbor's to come to your dock and let my elf's know you want me to stop , so we can plan our tour with Great efficiency ! Finally, our Head Elf Coordinator will require one favorite song to be sung by all kids when Santa arrives & departs next year, this is to enhance the children voices in time for Christmas Eve.*

*So until next Christmas, good bye and good luck to all and to all a good year!*

*Love,*

*Santa & Mrs. Claus*
