## Celebrating American Independence - Angle Lake Style!

Over many decades and spanning multiple generations, people around Angle Lake have celebrated the 4<sup>th</sup> of July with a variety of community activities and competitive games. In 2018,

these traditions continue and you'll have many events from which to choose from.

Give your imagination muscles a workout designing your parade attire or go all out with a float! Put your tennies to the test in an attempt to clock the fastest time around the lake and take home the coveted Bud Jones Memorial 5K Race trophy. Splash your way to victory in our swim or boating races. Or simply pull up on a blanket to cheer on your favorite

competitors in each of the all-American Fourth of July celebrations!

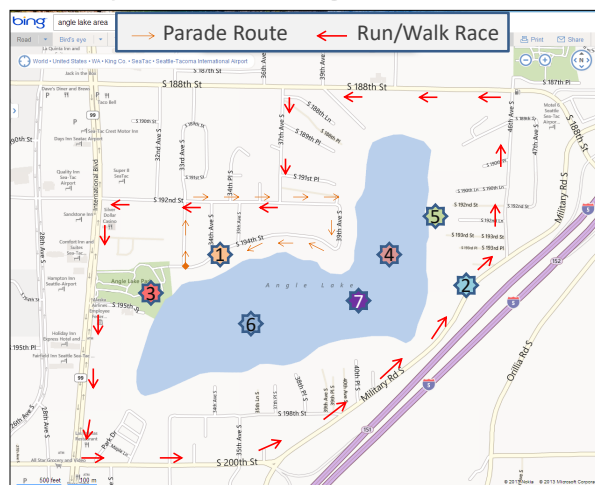

Angle Lake's festivities are a good reflection of the all-American traditional Independence Day celebrations of our yesteryears. The lineup of events is brought to you by the Angle Lake Shore Club; Angle Lake Manor Homeowners Association; the City of SeaTac Parks and their commercial sponsors.

**Celebrating American  
Independence  
(continued)**

**10:00 am - Angle Lake Manor  
Club Parade**

Pull up a chair to watch or come early at 9:30 to decorate your trike, bike, scooter, wagon, dog, yourself and join in the parade! Parade starts at the corner of 33rd Av S & S. 194th St and then turns right to proceed down S

192nd St and then right on 39th Av and back around to S 194th St ending at the Manor Club Beach Lot for a group sing along and complimentary ice cream treats. Yum!

**11:00 am – Bud Jones  
Memorial Walk and Run  
Around the Lake**

Compete against your neighbors for bragging rights and ribbons. A trophy will be awarded to the fastest runner to complete the course around the perimeter of the lake. Race will begin at Post 35. Pre-registration begins at 10:30am; Fitness Walk at 11:00; Competition Race at 11:30 – finish by 12:00.

**Also at 11:00 am - Water Spray  
Park and Children's Play Area**

Angle Lake Park will be the site for various giant inflated slides and bouncy houses. Purchase an all day pass for \$5 to participate. If inflatable's aren't your thing, then a safe, thrilling alternative would be to cool off in the spray park that features numerous spray nozzles for kids to run through and play in. If you dare,

endure a drenching from the Mega Soaker, a 55 gallon container that fills with water and spills over every few minutes onto the surface and anybody under it! Note: While the parking lot

and boat ramp will be closed all day, the swim beach is expected to remain open.

**1:00 pm – Dock / Beach  
Decoration Judging**

Get those creative juices flowing to come up with the most impressive Independence Day display. Blow the socks off our judges to win a prize of \$100 Gift Certificate for First Place! \$75; \$50; \$25; or Beach Towel for 2nd through 10th place respectively.

**Also at 1:00 pm - Live Stage  
Entertainment**

Staged music is sponsored by the City of SeaTac and will be performed by talented local artists. Family friendly entertainment starts at 1:00 p.m. and continues non-stop all the way through to 9:45 p.m.

**03:00 pm – Swim Races**

Okay all you guppies, flounders, barracudas, sharks, and whales – show up in your swim attire and get ready to compete for ribbons and cash awards! Begin assembling by 2:45 on the shores of the Louvier's Beach at Fire Post #46 or look for the banner displayed on the Northeast lakeshore.

**Celebrating American  
Independence  
(continued)**

**04:30 pm – Boat Races**

If it floats, then we'll let you race it! Show up in any kind of water craft and we'll find a category to put you in. Join in the fun and paddle, pedal, row or sail your way to victory. Boat races will begin immediately following the completion of the swim competition at Louvier's Beach at post 46.

**7:30 pm – Parade of Decorated Boats**

Calling all Captains. We're looking for you and your crew to join other neighbors and their boats in a evening parade around the lake! Share your holiday cheer with those onshore or perhaps prepare for some wholesome "Super Soaker Battles" out on the high seas!

**10:00 pm – The 4th of July  
Finale**

The fireworks display will be fired off the club/private

partnership barges this year and will be anchored at the Lake elbow this year. Returning the display to the center of the lake allows the use of the larger 6" shells to be used, resulting in a spectacular display of explosions filling the sky for an ultimate visual treat. Please note that for safety reasons the lake must remain clear of watercraft; They must stay no less than 420 ft away from the fireworks barges. Any intrusion within this safety parameter will delay and/or will prevent the show from being fired.

Events of this size cannot be done without the help and cooperation of many people. A special and sincere thank you is given to each of the volunteers who have donated their time in helping to coordinate these events and to all our Angle Lake neighbors who have donated financially. Thank you for your support and contributions.

**Letter from the President**

***IT'S IN THE WORKS ....  
FIREWORKS THAT IS!***

Yep ... It's time. Time to put all our time, labor, money and overall effort we invested in our barge program to the test this 4<sup>th</sup> of July. Utilizing our temporary floating platform, comprised of our barges, the City is moving the fireworks show back to the middle of the lake! This opens up the beach area for public use on the 4<sup>th</sup> of July and the days leading up to it.

This year's show will be staged by HALO FIREWORKS. HALO is unique from other fireworks contractors used in the past due to their ability to perform their show by means of remote control where the pyro-technician will be firing the show from the shoreline instead of on the barges. If this technology proves successful, it opens up some other interesting options and ideas for enhancing future shows.

Also the ALSC shoreline residents will bring back our long standing tradition of putting out flares down the middle of each leg of the lake and around the shoreline just prior to the fireworks show. This display really sets the mood for the fireworks show for all spectators.

If you recall the article in our spring newsletter, the ALSC guaranteed \$4,000 towards this year's show. Thanks to contributions by ADVANCED BROADCAST SOLUTIONS and

**Letter from the President**  
*(continued)*

MORTGAGE MASTER SERVICE CORPORATION, owned by our local residents Mark Segale and John & Sharon Porter respectively, the ALSC is left with a balance of \$2,500 to contribute. So in order to maintain our fireworks reserve fund you can expect our volunteers to be paying you a visit prior to the 4th, handing out flyers, asking for fireworks donations and hopefully handing out updated phone directories for our current members.

Suggested donations per household benefitting from the show's relocation would be as follows:

\$150 for those residents living around the immediate perimeter of fireworks show's staging area

\$100 for those living slightly beyond.

\$50 for all others

We should all extend a BIG THANK YOU to the following sponsors of this year's 4<sup>th</sup> of July Celebration without whom this show would not be possible.

**City of SeaTac**

**Alaska Airlines**

**Recology**

**Master Parking**

**Advanced Broadcast Solutions**

**Mortgage Master Service, Inc.**

**Angle Lake Shore Club**

Now that we've done the hard work of getting the fireworks show back to the middle of the lake I hope to see our community do their part by having the best darned Fourth of July party(s) possible. Please get involved with this year's activities and show our sponsors how much we appreciate their contributions for celebrating America.

**Together We Can Make a Difference in Our Neighborhood**

Cleaning Angle Lake is no small task! However, this large task becomes smaller when divided among several people. Let's organize to make this year's Clean Sweep the Biggest Turn Out yet!

The ALSC is planning another great "Lake Bottom Clean Sweep" event this year.

If you live in this area, come to the Angle Lake Park Dock at 9 AM on Saturday, July 21, 2018, grab some heavy-duty trash bags and some trash grabber tools and join your neighbors in doing good deeds while having some great fun. We are hoping all

residents will volunteer to help each other and join together in cleaning up our neighborhood.

We will also be doing clean-up of the shoreline and lake bottom at the Park and are looking for waders and divers to help. If you are willing to wade the shoreline, show up dressed for it! If you know anyone who dives and is looking to do a good deed while having a fun day, please contact Judy Williams at (206) 419-4637. The club will pay for the air for their tanks.

We have scheduled this event for Saturday, July 21, 2018, from 9AM to 12PM.

The Shore Club will be helping all lakeside residents with property clean-up and trash removal. We will also

## Make a Difference in Our Neighborhood—Lake Bottom Clean Sweep

*(Continued)*

be clearing our streets of trash and recruiting volunteers to cover the area between International Blvd on the West to Military Road on the East, and from S 188th Street on the North to S 200th Street on the South. In prior years we were able to clean 8 miles of streets. This year we are hoping that with your help we will have the same great success we have had in previous years.

All Volunteers who participate are invited to attend a picnic lunch at the Angle Lake Manor Club Beach with sandwiches, chips and sodas. We hope to make this an outstanding day that will show real benefits for all SeaTac residents who love our neighborhood and the lake and enjoy using it litter free.

In the meantime, please feel free to survey your area of the lake, lake-bottom and surrounding streets and open spaces and think about any litter problems that may need to be addressed in your area. If you have any specific areas of need, please let us know by contacting Judy Williams (206) 419-4637 and join us on July 21<sup>st</sup> for another great lake event!

## Tenth Anniversary Tasty Tapas is Coming August 11th!

It's hard to believe that 2018 marks the 10<sup>th</sup> year of the Angle Lake Shore Club's Tasty Tapas event.

Many in our community have attended every one as they consider it one of the funnest events of the year. So I'd like to take this occasion to urge neighbors who have not yet experienced this fest to join us. This year we'll travel the southern long leg of the lake in search of bites and beverages. I especially want to ask those with beach access on the South side of the lake to consider hosting one of our stations for this event. After ten years many of our neighbors have enjoyed hosting this soiree, some multiple times, and perhaps it's now your turn! Who can host? Rule of thumb would be anyone who can even vaguely see the park from their shore is in a splendid spot. We need 4-5 tasting stations and 1 dessert station for the event. This year's date is August 11<sup>th</sup> 2018.

What's involved in hosting? It's pretty simple – each host picks a theme for their station menu and prepares a couple of choices of bite sized appetizers for your guests. Could be a country's fare or a style of food you like to make or just a couple yummy

things. Some hosts have even had their station catered. You will also provide beverages that may fit your theme. It's usually easy to serve on disposable dishes to ease the work. Ticket sales are divided between our hosts so you'll have a budget of up to \$600 or so to work with. We've found that a crew of 4 or more helps keep everything running smoothly so many

### Tasty Tapas (Continued)

recruit friends or family to help them host. Many of our hosts, as well as many groups of tasters, have fun with costumes and decorations to fit their theme.

We split the guests into 4 groups of 25-35 folks and each group rotates around the lake sampling the fare at each tasting station. After everyone finishes their stops all the groups come together at the desert station where we have coffee and sweets and compare notes. It may just be the most fun you'll have all year! So if you're even a little interested in hosting, please call Jim Todd at 206-226-9965 and we can talk.

The cost to attend this event is still only \$30/person. We seem to have more pontoon boats than ever on the lake. If you are a boat captain or interested in becoming one and will have room to take on extra guests, please let our organizers know. Or if you are in need of a ride, we can match you up with available spaces. We will start promptly at 4 PM, make 4 - 45 minute stops and finish together at the dessert station starting at 7 PM.

For this 10<sup>th</sup> anniversary event we expect lots of interest so get your tickets early. Thanks to all who have helped make this an extraordinary community building event for the last ten

years! For tickets please contact:

### Frank Hansen Memorial Regatta THEEEEEY'RE BACK!!!!

Yes, the Seattle Outboard Association (SOA) will be back again this year in the FRANK HANSEN MEMORIAL REGATTA (FHMR). On September 8<sup>th</sup> and 9<sup>th</sup> they will entertain us with a

wide array of outboard boat racing at its best. In addition to what we have seen in the past, this year's FHMR race at Angle Lake, will be the hosting the NORTH AMERICAN CHAMPIONSHIPS FOR 'C STOCK HYDRO.' In this class you can expect to see the best in competitive racing at speeds close to 70 mph.

In the past 2 years of this event drivers have used either the sitting or kneeling positions while racing runabouts and hydroplanes at speeds ranging from 35 to 85 mph. But this year you will see a SPECIAL TREAT

because the SOA will be holding the MODIFIED WESTERN DIVISIONAL. You might ask, what's special about this?

Well, not only will there be more of the modified entries we've seen in the past, but this year you will witness racing of the 350 cch class. These are known as 'LAYDOWN BOATS'. These boats are new to the FHMR and are SUPER FAST, hitting speeds in excess of 90 mph. They earn their name because the drivers literally lay flat on their stomachs positioned about a foot above the water with the

steering wheels at the very front of the boat.

Allan  
Freedman  
of the Mark  
Eleven

Condominium Association will be providing radio broadcasting over FM 90.5 where an SOA announcer will be reporting live race progress, descriptions of the different classes and backstories to some of the racers for a better understanding of Outboard Racing.

Again we will be positioning the barges at the east end of the race course for those folks who wish to have a better vantage point. All in all it should be an exciting two days of racing so sit back and enjoy the action.

## 2018 ANGLE LAKE FISHING DERBY A HUGE SUCCESS!!

The 2018 Fishing Derby actually began days before the event with several volunteers gathering canopies, barbecues, chairs and tables and shopping for prizes and food! Many "Thanks" to all the dedicated workers whose combined efforts make our derby possible.

### "RISE AND SHINE"

Although the morning started out with a chill, dozens of hearty fishermen began their pursuit of the biggest and the most fish. It was a blessing when the sun appeared around 11:30 a.m. and remained for the duration of the event.

"Thanks" to Debbie B. for making sure the pots were full of hot coffee and cocoa, along with juice, donuts and muffins. This nourishment helped to get those fishing, and spectators as well, off to a good, warm start.

### "FISH ON"

Zealous anglers fished all areas of the lake, hoping to catch some of the 6,001 Rainbow Trout released by the Washington Department of Fish and Wildlife on April 3rd. Children and adults fished from the large dock area created by the assembly of several barges. A big "Thanks" to Del R. for

assisting the old and the young with the proper bait technique! In total, the participants successfully caught and entered 107 trout this year.

### "LUNCH IS SERVED"

At 11:30 a.m. Chef Nick, assisted by barbecue specialists Mark and Russ, served up a delicious derby lunch. The cuisine consisted of approximately 50 pounds of King Salmon,

rice. Chips and cookies added to the food fare. "Thank you" to all the cooks, and to Annie G. and Susan K. for keeping the tables well stocked! 175 to 200 Angle Lake residents and friends enjoyed this year's event.

### "KIDDIES DUCKIE POOL"

The kiddies event was officiated by Steve Beck, who donated a wonderful variety of prizes, (courtesy of Starfire and Steve).

generously donated by the May family, along with hamburgers, king size hot dogs, Nick's famous baked beans, potato salad, coleslaw, Tami's delicious pasta salad and Chau's loaded fried

The kids loved the challenge of this catch and release activity. "Thanks" Stevie B. for your generous support.

## "SPECIAL OLYMPICS USA GAMES"

After lunch, Club President, Lonnie Goulet, introduced Alex Rider, a volunteer manager for the 2018 Special Olympics, who announced that a segment of the Special Olympics, Stand Up Paddle-board, would take place on Angle Lake on July 2nd & 3rd from 8:00 a.m. to 12:00 p.m. each day. He invited Angle Lake families and friends to join at the Park for the ceremonies, and to be part of the cheering section. Lonnie presented Alex with a \$100.00 donation from the Shoreclub in support of this event. More information can be found by visiting: [www.SpecialOlympicsUSAGames.org](http://www.SpecialOlympicsUSAGames.org).

## "DERBY WINNERS"

Lonnie spoke briefly regarding the barges and the upcoming fireworks for the 4th of July. He then presented the derby prizes to the lucky winners.

**The Derby winners are as follows:**

### Overall Biggest Fish

**Chau Murphy** 15 1/2 " Trout - Cash Prize \$118.00

What a wonderful adventure we had... Debbie Beck and I went out one Sunday afternoon ringing a total of eleven door bells and finding many at home. Everyone was so receptive to an Angle Lake Shore Club Welcoming Committee visit!

Many of the eleven were new to the area, while others were back on the lake and all so very happy to be here. We even added a new resident with a pontoon boat who wants to participate in all of the annual events. How great that is, along with the enthusiasm to be part of the shore club.

We don't want to miss welcoming any new residents. We already have been notified of two more new families for our next adventure. And this is where you all come in; please let us know if you have new neighbors, so we may add them to our list; Just email:
