ANGLE LAKE SHORE CLUB NEWS

BUILDING A STRONGER COMMUNITY

A SUCESSFUL FOURTH OF JULY IN MORE WAYS THAN ONE!

The Fourth of July provides a little something for everyone in and around our Angle Lake Community. Starting with the Manor Club neighborhood parade followed by the walk/run around the lake, our dock/ beach decorating contest, the music in the park, the swim and boat races, these events all lead up to the lighting of the flares around and on the lake and conclude the day's festivities with an AWESOME fireworks show.

Once again it all came together to create a terrific frame work for the many gatherings of family, friends and neighbors at the Park and around the lake. Do you dare say that our community is second to none when it comes to bringing people together and creating a neighborhood we are proud

to be a part of? It's a simple challenge and I for one am proud to say it and GIVE THE CREDIT AND A THANK YOU to the many who work so hard to make it happen. Thank you to the City of SeaTac, all our sponsors of the fireworks, all the volunteers who so selflessly offer their time to make it all happen and to all of those who actually participate and/or attend the events.

Our other success leading up to the Fourth came from the results of our efforts going door to door

soliciting donations necessary to fund the ALSC's sponsored portion of the fireworks. If you recall from my article in this summer's newsletter it was our goal to raise \$4,000 to fund our obligation for

2019 and another \$8,000 for our anticipated obligation for 2020 and this did not count the funds that we needed for all our other events. I am happy to report that we not only met our overall goal but exceeded it

to the extent that we were able to cover the costs

FOURTH OF JULY
(Continued)

necessary to fund our other Fourth of July events and purchase the dock and lake flares for both years.

With this said I am reminded that the intent of going door to door is twofold. While it is our most effective means to raise money for events it is MORE IMPORTANTLY the best means to meet our neighbors. Therefore, it is the decision of the board that for next year we will again be looking for volunteers (not board members) to go around the neighborhood prior to the Fourth with the primary emphasis being to engage our neighbors and promote all of the events for the Fourth of July. Of course donations for the ALSC events will gladly be accepted. :-)

So to everyone who took to the streets and knocked on doors, to those that donated in person or by mail and to those who participated or volunteered to continue our Fourth of July tradition alive and well, I salute you and bestow a huge THANK YOU for doing something positive for your community. Now it is up to your ALSC board to begin meetings with the City to discuss implementing the BEST 'EVER' FIREWORKS SHOW on Angle Lake for 2020. MAY THE 'FOURTH' BE WITH YOU.

FOURTH OF JULY PARADE

Somehow, somewhere, our secret got out this year. Our modest Angle Lake Manor Fourth of July parade nearly doubled in size! More children, adults, bikes and

dogs joined the route than in past years. It was a grand, colorful procession of patriotism. Children and adults alike wrapped themselves in free decorations provided by Angle Lake Manor. Their enthusiasm for decoration was such that we ran out of décor. Our ingenious decoration volunteers, Deb Anderson and Lisa Edwards, resorted to cutting up the flag colored tablecloth to be used as scarves.

Fran Reid, once again, pulled together talented musicians to make up the band, which is the heart of the parade. The firemen showed up with their too cool, tall ladder fire

truck. The Zone 3 Fire Explorers marched alongside a neat, motorized, miniature fire truck. The ALM queen threw red Hershey kisses to the gathered viewers along the route, which were actually quite few in number

as most everyone was marching! Tony Duncan and Bret Fish manned the road block and kept traffic out of the parade route.

FOURTH OF JULY PARADE
(Continued)

Tony Anderson put together the logistics of the parade this year. He also brought the ice cream for the crowd, which being much larger than expected, scooped it all up before everyone was served. The happy bubbles from Tony and Deb's huge bubble machine helped soothe the sad, ice cream-less souls and all attention tuned into the music from Fran Reid, our local music teacher's pool of talent, who sang spirited patriotic songs inviting the crowd to join in for a rousing group sing. Nothing can equal the pride and joy felt when singing along to the songs. A collective thank you goes out to Fran Reid and all her singers and players for entertaining and leading us in this way each year.

The ALSC helped sponsor the parade and get the word out about it. Perhaps their blog was responsible for the huge crowd, but someone said it was posted elsewhere. We

would love to know, if anyone saw where the secret of our parade leaked out because we want to try and duplicate that next year. We will then plan for more decorations and a lot more ice cream!

2019 BUD JONES MEMORIAL
RUN AROUND THE LAKE!

July 4th dawned a little cooler (thankfully!) than past years for the annual 5K Walk/Run Around the Lake event. Nancy did a 'cheat' run at 6am (even cooler!) to mark the course with water-soluble chalk. A minor change in the course avoided the east end of S. 200th with its uneven sidewalks normally littered with trash and recycle bins. Instead, from S. 200th, we took a left at 32nd Ave S and enjoyed the more scenic (albeit slightly uphill) route along 37th Ave. S. to Military Road. We missed the 37th Ave Goulet Brothers cheerleading team. Maybe next year?

The Walkers crowd seemed smaller than years past, but many more Runners turned up. Walkers and Runners got a prompt start at 11:30 and 12:00 noon respectively, by official starter Andy Jones, taking over duties in his dad's memory.

Volunteers for the event were hard to round up as most everyone wanted to participate, which is a good thing! Many thanks to those who did help out:

JULY 4th BOAT PARADE ADDS TO THE HOLIDAY FUN!

New tradition? Perhaps! For the second year, now that the 4th is back to a full lake event, many toured around the lake in a ragtag flotilla as a prelude to the fireworks. We started with a few craft and by the time we got around the shoreline there were at least 8 or 9 boats in

our procession. It's a great time to see and be seen. We could observe quite a bit of merrymaking going on at various shore fronts and I think everyone there could tell that the sailors were enjoying the scene too. Some boats were decorated, some not, but all were enjoying the party atmosphere. I encourage everyone with the means to come out and join us next year and give our neighbors plenty to wave at!

FOURTH OF JULY DOCK/ BEACH DECORATING CONTEST

Tick Tock, Tick Tock, the incessant sound of Father Time claiming another year and bringing us full circle to undoubtedly the greatest celebration in all of Western Washington, 4th of July on beautiful Angle Lake. Swim races, kayak sprints, the Bud Jones Memorial race, food on the grill, drinks in the cups, fireworks to amaze, and competition to end all competitions –dock judging!

We pulled into the driveway of “the house under perpetual construction” and meandered down to

“El Presidente Marina” where we boarded the Ann Marie Lynn, a boat many of you thought had been mothballed, but was really just resting peacefully waiting to be re-commissioned for this momentous occasion. Captained masterfully by Admiral Steve Beck, it was a bittersweet initial ride for the Becks and the Hills, as they had both moved off the lake and hearing those Joni Mitchell lyrics, “don't it always seem to go that you don't know what you've got 'til it's gone”, wiped some

sentimental tears from their eyes.

After picking up Marge and Richard, the judging team was off and running for its initial run around the lake. Creativity abounded, beers were consumed, snacks— thanks to Steve and Deb— devoured, stories shared, and patriotic songs played oh so loudly for those hanging out in the park. And yes, as always, heated conversations filled the boat over the masterpieces we were viewing on that glorious day. But when we approached the Siedenburg dock, we became silent and mindfully reverent over what they had created. A creation that brought us all back to the true meaning attached to Independence Day; summing it up in one word—sacrifice.

Do we even take the time to remember the sacrifices of those who fought and continue to fight for our freedoms? Is it even taught in our schools? Sadly, no. Do our children know that five of the original signers were captured, deemed traitors and tortured mercilessly before they died? 12 had their homes ransacked and burned, nine of the signers fought in the Revolutionary War and died from their battle wounds. Some were forced to abandon their homes, live in caves, watch

their children and wives imprisoned and killed while jailed. But standing tall, straight and unwavering, they pledged: "For the support of this declaration, with firm reliance on the protection of the divine providence, we mutually pledge to each other, our lives, our fortunes and our sacred honor." That is the DNA of our wonderful, beautiful and resilient country. It flows in the bloodshed at Yorktown, Gettysburg, Omaha Beach, Iwo Jima, Inchon, Kandahar, Fallujah as it is the lifeblood that unites us and makes us

old Crosby, Stills, Nash and Young song, "Teach Your Children" and know it is high time we all teach our children well and it's the story of the ultimate sacrifice.

So to all who helped make this a memorable 4th of July on the lake, who decorated and donned the most wonderful patriotic outfits, who magnificently serenaded us with angelic renditions of well-known songs, and to those who enjoyed the freedoms and fun that accompany this holiday, we thank you for making our 4th so special.

Here is the final tally:

2nd Place- The Todds

We were so thrilled with the enthusiastic participation of everyone! We handed out 10 beach towels and 25 honorable mentions to some wonderfully decorated docks. HUGE THANKS ANGLE LAKE!!! The best lake in the world.

**ANGLE LAKE MEMBERS ONLY
CHRISTMAS PARTY 2019**

Who pulled the curtain on Summer??

The arrival of the Fall season took so many of us by surprise; in fact, a lake home has been spotted still adorned with July 4th and Tasty Tapas decorations! As much as we'll miss the cruising, swimming, and BBQ's of Summer, we have so much to look forward to in Fall (no more weeding and lawn mowing!) and the swiftly approaching Winter holiday season... which brings us to the members only

Christmas Party taking place on Saturday, December 7, from 4pm until 8pm.

We are still determining a host site for the event; the Jones Family has hosted the past 2 years, and can attest to how easy and fun it is to host. After all, the cleaning and decorating is all done early December, and the sparkle will last the entire month! This year we'd like to spread the joy, and we hope that someone new will open their home for the party. We will have a scrumptious catered buffet dinner complete with tasty hors d'oeuvres and mouthwatering desserts. All is included in the price of a ticket, along with a hosted bar! After our dinner, we

generosity and service to the club.

Space is limited to the first 100 people, so please reserve your spot now! Tickets are \$40 per person if purchased before November 27th. If purchased later or at the door, the tickets will be \$45 per person. You may contact Nancy Erickson 206.465.0988 with your early payment or any questions you may have. You can also mail your order form with payment to:
ALSC
P.O. Box 69477
SeaTac, WA 98188

We are in need of volunteers to help with decorations, set up, and clean up. Please contact Nancy if you are available to help. Most importantly, we are still

may feature a live holiday music sing-a-long as we did last year. Finally, we will award Crown and Sceptre to a Mr.and/or Mrs, Ms. Christmas for the individual or couple who most represents the spirit of the season based on their prior

looking for a home to host the party, so if you are considering this, contact Nancy as soon as possible. Remember, we will do all the set-up and post-party cleaning.

SANTA CRUISE

To all Angle Lake Residence's, we received the following letter in a block of ICE, from Santa's North Pole address on/ or about September 10th, 2019:

HO HO HO! SANTA CLAUSE

HERE....Mrs. Clause said I should send a Very special thanks to all the kids that ventured on to my Santa boat last Year During my beautiful Angle Lake Christmas visit.

It was so very Nice to see the grown up Children and the new arrivals'

We were all so very lucky the weather co-operated last year and maybe the good wind from the north will cooperate this year when I arrive Saturday, December 14th this year!

Mrs. Clause and I, encourage all the parents on the lake to coordinate with all their neighbors to pick a sturdy dock and let the Boat drivers & Santa's Elves know you will be ready for SANTA's visit.

Also, remember to Practice your Christmas songs well before Santa gets there,Santa's elves always love to hear the kids sing their special song for Santa as he arrives at your dock.

So, don't forget to Notify SANTA's Elves, Especially if your Mommy & Daddy are hosting a dock STOP, so SANTA can put you on the SANTA cruise dock stop List!

So I will see ya shortly, Ho, Ho, Ho

Love,

SANTA & Mrs. Claus

CLEAN SWEEP

ALSC had another Clean Sweep this summer on July 20th and, like last year, almost nobody came. I have to thank Tani Rae and Deb Anderson for managing to clean the entire shoreline wading from the northern border of the park to the southern border of the new trail. They did a spectacular job so many, many thanks. I also need to thank Debbie Beck for getting lunch for us and Nona and Richard Evans for getting lunch all set up for me. It was a fun time.

A few other hardy souls came and did some of the streets and I did the park area around the boat launch again. We actually found the streets to be in much better condition than in past years and I know the city is trying to keep things looking better, and it seems to be working. Kudos to the City and their staff for that.

Afterwards, we all went to the picnic we held for the Clean Sweep participants.

We had plenty of leftover food so we invited the neighbors and family members to join us. I gave the City back all the gear they were kind enough to loan us for our event and

turned in a number of bags of trash from the shoreline efforts.

We had no divers and barge set for this year as Lonnie was away, but have a line of

divers for the future plan to continue our clean-up of the lake bottom around the park area. We will likely do this with a small group and not have it be an ALSC event. If you have dive gear and are interested in helping us, feel free to call me at (206)419-4637.

We do not plan to have a Clean Sweep event in the future. The City is working on Green Cities Events and we hope our membership will support and participate in these events.

TASTY TAPAS TOUR 2019

Eleven years of Tasty Tapas, and it never gets old!! Again, this August, thanks to numerous volunteers, we continued our unique tradition of lakeside fun.

herself! What a wonderful way to end an amazing journey on our beautiful Angle Lake!

This year we toured the short side of the lake, and as far as we know, only one person and one chair ended up in the lake! The weather cooperated for the most part, with only a sprinkle here and there. There were approximately 110 tasters, dressed in Red, White and Blue, festive Hawaiian and Greek Gods galore!

all enjoyed fabulous tapas from each of those countries. Both food and drink made for lively visitations! The day concluded with all tasters gathering at the **Happy Camper Beach** at Glen and Nancy Erickson's, where Susan Knox, Marcee Barnard and Drew & Deb Clark served all homemade desserts created and baked by Nancy

host stations for creating such a magical event. It's a great way to meet our neighbors, and what better way than with delicious food and tasty drink! Cheers to all who participated in this extraordinary tradition.

A TRUE TEAM EFFORT

And that is just what the Frank Hansen Memorial Regatta (FHMR) has become. On September 7th and 8th three great organizations, The Seattle Outboard Association (SOA) working together with the Angle Lake Shore Club (ALSC) and the City of SeaTac (COS), once again put on a spectacular display of family orientated outboard boat racing suited for children, teens, adults and, yes, even seniors alike.

I know that there are a few lakefront residents that are offended by the noise generated by this event, but this issue appears to be the only major complaint I am aware of. So, for me personally I accept the noise as part of the sport, but I want you all to know that the SOA is working at trying to minimize the actual duration racing occurs each of the two days to lessen the noise impact to the neighborhood. Of course not wearing my hearing aids does a pretty good job too

So with that said, I for one enjoyed the weekend

tremendously and thought I'd share some of the highlights I experienced from the weekend.

1. Attending the drivers meeting on Saturday morning along with the Mayor of the City Erin Sitterly and Council Member Clyde Hill, where we each in turn gave a little talk welcoming the SOA to Angle Lake.
2. Walking through the pits, talking with and getting to know the drivers, their crews and families. It makes it a much more enjoyable event when you know something about individuals that are actually racing and how the races are structured.
3. Seeing and participating in some of the parties that were going on during and after the races on Saturday. I'll just add that it was a real hoot

being trapped under a 10' x 15' tent with 12 other people during that AWESOME thunder and lightning show we were treated to that evening at an after party of one of our lakefront friends. Thanks Dave for the multiple Michael Jackson moon walk impersonations that were spot on ... ;-)

4. Watching the 9-11 tribute that the SOA puts on Sunday morning where two D-Stock Hydro's go slowly around the entire lake with American Flags waving proudly over the engines as folks on their docks salute the flags as they go by and ending up back at the pit area where the national anthem is played. This is immediately followed by a 'Fly-by' as I like to call it (Imagine Top Gun) where the two boats shed the flags and go around the course side by side at speeds up to 85 mph. It really is very moving moment each and every year they have done this and something I look forward to seeing.

5. Immediately after the 'Fly-by', council member Clyde Hill, who was invited to do

A TRUE TEAM EFFORT

(Continued)

a ride along in one of the 1100-Runabouts, departed the pit area on this exhibition run of two laps. It was Clyde’s first experience at riding in one of the fields most prestigious classes traveling at speeds exceeding 85 mph. We would love to see this become an annual thing where one lucky person would--by the luck of a drawing--be able to experience this once in a lifetime ride.

6. While watching some of the most competitive deck to deck racing I have ever seen there was one boat that really stood out this year. If you were watching on Saturday or more importantly on Sunday, you might have witnessed the 350CCH class hydroplane (better known as a LAYDOWN BOAT) run the course. These boats are SUPER FAST, hitting speeds in excess of 90 mph. They earn their name because the drivers literally lay flat on their stomachs positioned about a foot above the water with the steering wheels at the very front of the boat. While they are temperamental beasts there is nothing more

exciting than seeing one run at its best and for ½ a lap on Saturday and two plus laps on Sunday we saw just that. It was a beautiful boat that ran like a bat out of hell. I hope they come back with a couple more next year.

Thanks to Allan Freedman of the Mark Eleven Condominium Association for providing radio broadcasting

Hawks for Sunday’s turnout.

Finally I want to reiterate to everyone that as long as this event thrives and is accepted by a majority of lakefront residents then it will remain the only outside event where noise ordinances and the speed limits will ever be exceeded and supported by your board.

By Lonnie Goulet

over FM 90.5 where the SOA announcer reported live race progress, descriptions of the different classes and backstories to some of the racers for a better understanding of Outboard Racing.

Also I am happy to report that our log-'barge'-boom at the east end of the race course had a good crowd on it Saturday with only a few on Sunday, but I blame the

A few Sundays ago, Debbie Beck, Sandy Goulet and I had the best welcoming committee visits ever! All eight new home owners were home—how cool that was. We were welcomed everywhere. We have so many wonderful residents already and I have to tell you, many more have joined our great community.

We visited with several who are totally new to the lake and others who have moved back to the lake and are now living in their grandparents or parents homes. All are so very happy to be here, interested in the Angle Lake Shore Club and Manor Club and getting involved with our many yearly events.

Remember, we depend on every one of you out there to let us know when we have new residents. Please call with names, address and phone numbers to Debbie Beck @ 425.444.0460 or Marge Murtha @ 206.557.4641 or Sandy Goulet @ 206.824.6748. In the Angle Lake Shore Club, we all belong.

ALSC MEMBERSHIP & EVENTS FORM

Our Club was founded on, and continues to operate with volunteer resources and private donations. If you are looking to renew your membership or purchase event tickets, we’ve created a convenient link to our membership/order form below for you to download, print, and mail in with your appropriate payment:

[ALSC MEMBERSHIP AND EVENTS FORM](#)

Membership Definitions:

The Angle Lake Shore Club offers two annual membership options where 100% of the membership fees collected go toward club operations and event expenses.:

- *\$10 Individual Membership.* Any person 18 years or older may enroll in an Individual Single Membership entitling them to all club benefits.
- *\$20 Family Membership.* A family is two or more members who live in the same home and are related by birth, marriage or adoption.

Residents of Angle Lake are welcomed & encouraged to join the shore club. To apply for membership, a current member must nominate a candidate for membership and the nomination must be seconded by another active member. This new membership shall then be referred to the Executive Committee for acceptance or rejection.
