ALSC BOARD TEAM

ANGLE LAKE SHORE CLUB NEWS

Letter from the President

Entering into my 11th year as your president of the Angle Lake Shore Club, I'd like to recognize the dedicated neighbors who make up our fantastic Board of Directors. These individuals come from all walks of life but share a common interest in leaving a positive impact on our community. Alongside them are all the volunteers who unselfishly help put on our various events; altogether investing endless hours working to support the MISSION STATEMENT that is printed on every board meeting agenda. It reads:

“The Angle Lake Shore Club provides unique events year round for the residents living on and around the shores of Angle Lake in an effort to build a stronger community.”

This is the purpose that your board and the volunteers work hard to achieve. We do this through our existing annual events and by creating new ones. We do this not just to entertain our current club members but to meet additional neighbors and make introductions among neighbors,

as well. I believe that each year we succeed in these efforts.

Before I joined the club I was lucky to know the people that lived on each side of me. After getting involved in the club I now know 80% of the people

is for you to participate in our events. I encourage you to become a volunteer and help achieve this mission.

We are planning another year as eventful as last year with the following adjustments:

that live on or around the lake. That makes for a unique and wonderful neighborhood uncommon in our modern times!

If you share an interest in creating a cohesive neighborhood, I challenge you to ask yourself, ‘AM I CONTRIBUTING TO HELP BUILD A STRONGER COMMUNITY?’ Either in conjunction with the ALSC or in some other form. I can’t stress enough how important it

CHRISTMAS PARTY

The cost of the Christmas Party continues to operate beyond the amount of revenue brought in by ticket sales. This is primarily due to the cost of catering. We feel that great food is an important part of making a

Letter from the President

(Continued)

great party so we will be implementing the following policy from this year forward. The cost of tickets shall be \$40.00 per person, if paid before the cutoff date. Tickets purchased after the cutoff date will be \$45 per person. This is to help us be accurate with our count for the caterer. We will honor any Christmas Party payments issued prior to April 1, 2019 at the rate at the time of purchase. It is still a value at

these new costs. Thank you for your understanding in this matter.

CLEAN SWEEP

It appears that interest in an organized cleanup of our community has been losing popularity. Due to the low number of participants at last year’s CLEAN SWEEP, the board has decided to give the event one last chance to continue as an ALSC event. If we do not see an increase in participation then the event will not be scheduled for future years.

Outside of these two changes, we are expecting all other events to be held as planned including a possible new, late summer event this year. As plans progress, additional announcements will be made through the Blog at: www.anglelakesc.blogspot.com

Thank you for your participation in our club. I am honored to serve as your President.

by Lonnie Goulet

President—ALSC

Community Engagement

***Community:** A unified body of individuals sharing a feeling of fellowship with others, as a result of sharing common attitudes, goals and social, economic, and political interests.

***Engage:** To participate or become involved in.

When considering the attributes that make up desirable community, community engagement typically ranks as high in priority as a safe environment and quality streets.

Community engagement is the process of working collaboratively with individuals and/or groups to address issues that impact the well-being of the collective entity. Activities that help encourage **community involvement** include credible and transparent reporting, town hall meetings and collaborative decision making.

Opportunities for involvement range from individuals investing minutes to making multi-year commitments in an effort to improve the quality of life and livability conditions within their community. The following opportunities are available for citizen involvement:

INCREASING LEVEL OF COMMUNITY INVOLVEMENT

OUTREACH	CONSULT	INVOLVE	COLLABORATE	LEAD
Short term, Limited Community Participation	Spontaneous Community Engagement	Devoted Community Engagement	Dedicated Community Engagement	Long Term Investment in Community
Communication flows from one to the other to inform.	Greater community participation on issues	Engaging neighbor participation in resolving issues	Communication flow is bidirectional. Partner with each aspect of projects from concept, through development to solution.	Community leader, decision maker
Outcome: Optimally, establishes communication channels.	Outcome: Visibility of partnership established with increased cooperation.	Outcome: Visibility of partnership established with increased cooperation.	Outcome: Partnership building, trust building.	Outcome: Decisions that affect broader community. Strong bidirectional trust.
OPPORTUNITY	OPPORTUNITY	OPPORTUNITY	OPPORTUNITY	OPPORTUNITY

Spring forward but don't fall off the boat! Yes, time to welcome Spring with this year's edition of the Angle Lake Fishing Derby. Sunday, April 28th is the day to throw a line into the water and see what you can drag up. Get up early and see what you can catch. Just don't get that big trout at Safeway. We'll have a prize of \$119 for the biggest fish as well as many other prizes for fish caught in different age categories. The Department of Fisheries is set to stock the lake with lots of fish who will be looking for your hook. Fish early and get back to Goulet

It's Derby Time!

Again we'll be at the Goulet Beach - Post #21 - for our festivities. And our intrepid anglers are just part of the crowd. Whether you fish or not, be sure to come over for the great lunch and our prize raffle. We had hundreds of folks last year and expect a big crowd of neighbors for all the fun. We'll have coffee and doughnuts in the morning along with a cozy fire, if it's chilly. Lunch starts around 11:30-12 and will be followed by the big raffle. We'll BBQ a big salmon and burgers and stuff and have a bunch of sides to help fill you up. Nobody goes home hungry and it could be your lucky day!

Beach by noon for your catch to be included in the judging for the different fish categories, including largest fish. You will need a fishing license to fish on the lake but they are available at many local sporting goods stores.

Volunteers will soon canvas the neighborhood selling tickets for the event. They will have flyers and can give you any info to help answer any questions. Please support this great community party by purchasing tickets. You'll

need at least one to fish and for lunch but most get enough to help us pay for the event. Tickets are still \$5 for one, \$10 for 3 or \$20 for ten. Any way it's a great way to support your community. This year will have lots of raffle prizes including an Echo Show 2nd Edition which is fun for things you may not even know are possible! We'll have a fire-pit and inversion table, an outdoor heater and a boat bigger than we gave away last year. Also a bunch of certificates and other fun stuff. So get your tickets and come join us for a memorable day. Tickets will also be available at the event. You do not need to be present to win.

Again, thanks to all the volunteers who help make this event possible, especially our hosts, Bruce and Sandy. If you've not yet come to a Derby we'd love to meet you. Come by foot, by car or by boat and see part of what makes our community a magical spot to call home.

Easter Bunny Dock Hop!

Let your kids and grandkids know that Peter Cotton Tail will be hopping along the docks again this year for our annual EASTER BUNNY DOCK

out to any eagerly awaiting children. If you have small children at home and/or will have grandchildren visiting on Easter Sunday and would like to ensure a special visit from the Easter Bunny,

HOP set for Easter Morning, the 21st of April, between the hours 9:00 and 11:00 AM.

The Easter Bunny will have his basket full of eggs and other surprises ready to hand

please contact Kerry Steinke (206) 387-3960) no later than Friday, April 15th to request a stop and to let the Easter Bunny know how many children are expected to be present. If you have special Easter Basket(s) you wish to have presented by the Easter Bunny to someone special, please be prepared to have these baskets delivered to the Easter Bunny's Burrow at 3226 S. 198th St, by Saturday April 20th. And don't forget to remind the kids that Bunnies just love their carrots. 😊

Happy Easter from your ALSC!

by Lonnie Goulet

Fond Memories of Christmas Past!

A wonderful gathering of over 70 members with guests was enjoyed by all. How happy everyone was to greet old neighbors (and new) and renew friendships at the beginning of the Christmas season. The party was held at the beautifully decorated Jones Residence, which has seen many Shore Club gatherings over the decades.

Our annual meeting followed the cocktail hour which was served by our genial bartenders, Sandy and Bruce

Goulet, who delighted us with several original libations!

The Lake season was colorfully summarized by our long-time and much appreciated ALSC president, Lonnie Goulet, who also introduced new members. Included in the meeting was Marge Murtha's annual audit report. The highlight of our

Fond Memories of Christmas Past!

(Continued)

meeting is always the crowning of Mr. and Mrs. Christmas. For their dedication over many years

sing-a-long performed by Andy Jones on the piano and Nancy Jones Erickson on the violin. Everyone gathered around and joined in the singing. As rusty as we may have sounded, we vow to practice and keep this live

music sing-a-long a tradition at future Christmas parties. Many thanks to our volunteers who graciously make this event possible, and heartfelt thanks to the Jones family for hosting the Christmas Party once again.

to the Shore Club and larger community; Debbie and Steve Beck took well-deserved honors!

Keeping our meeting on schedule, well-timed and mouthwatering aromas wafted in from the kitchen encouraging us to wrap it up and line up for a delicious, catered dinner buffet.

A pleasant surprise of the evening was a spontaneous, live music Christmas carol

Bud and Billie Jones, long ago settlers on Angle Lake and vital Shore Club members since the early 1950's, were

certainly smiling down on all the festivities!

Thanks to all who joined in the Christmas fun; we're already looking forward to ALSC Christmas Party 2019!

by Marge Murtha and Nancy Jones Erickson

Halloween Boo Cruise

The Rombauer Household embarked on a cold, wet and windy day for the Angle Lake Shore Club Halloween Boo Cruise. The Spook-tacular Pontoon Boat embarked on the storm to visit all of the wonderful trick-or-treaters.

Despite the monsoon rain and choppy waters, many children and adults did not miss this event! A little girl even decided that she wanted to stay on the Pontoon boat and go with the captain and crew! She was a tad upset on finding out that she just got candy and a goody bag, not a boat ride! Luckily her fellow trick-or-treat crew persuaded her to try

being a pirate next year, not this one.

There were not many children at the mobile home park (actually none) but there were children who came over from the Angle Lake Apartments! The final stop was at the Steinke's residence; they must have been the hidden key to bring the rain to an end. All on board were completely drenched, but at least the rain was no more for the last 20 minutes of the voyage. Next year the captain and crew of the Spook-tacular Ship plan on having a few more layers of rain gear and tarps just in case!

Santa Cruise

It's a goose... it's an Eagle... NO! It's Santa's water sleigh! Bright lights aglow, with merry music, singing voices and SANTA and his Elves! "Action"

Once again on December 15, 2018 and nine years running, the children of Angle Lake lined the shores, filled with anticipation of the arrival of Santa and his cheery Elves, aboard his festive pontoon sleigh. Earlier that day, Santa's helpers decorated the cruiser with bright holiday lights, Christmas trees, and holiday figurines, readying it for the impending journey ahead.

It all began at 4:30 pm with the first dock stop at Siedenburg's, traveling around the lake to Gutierrez's, Flander's, Mungra's, Picketts, Rice's, Patton's, Yorozu's, Gehring's, Angle Lake Mobile Home Park, and ending at Steinke's. Santa and Mrs. Clause and all the Elves were more pleased than ever with the friendly welcomes, the excited little ones and the enthusiasm and politeness of the children and their

Santa Cruise
(Continued)

families. And, once again, those children touched the heart of Santa with their wishes and conversation. Santa was very happy to find clean ears, brushed teeth, sparkling eyes, and to hear that the older children were doing well in school.

Approximately 70 little ones, and some bigger ones, participated in this holiday event, and were given generous gift bags of goodies. All in all, Santa and Mrs. Clause, the jolly Elves, the children and their families enjoyed a very Merry ole time! The weather even co-operated! Photos were taken to once again create memories for the Shore Club and its Angle Lake families.

Santa wants to thank all his Elves for donating their time to make this a memorable experience: Lonnie and Annie, Steve and Debbie, Fuzz and Julie, Bruce and Sandy, Dave, John, Bruce B, Doug, Olivia, Shelly and Pam. And a special thank you

to the parents and grandparents who brought their beautiful children to the water's edge for this special visit.

So, until next December, Santa says.... good bye, good health, good grades... and to ALL... a good year!

Polar Plunge - A Great Way to Greet the New Year!

Another gorgeous day blessed us as we rang in the New Year with brunch on the beach

and a polar plunge. And in turn our community blessed the Highline food bank with 153 lbs of food and a whopping \$422 dollars of cash donations. This is especially impressive when you realize that attendance this year was only 53 people, down from last year's all time high of 89! Last year we donated 210 lbs and \$210 dollars. We owe this year's success in part to a generous donation by the ALSC president, Lonnie Goulet, who joined us this

year! Thanks Lonnie! It was fun to see you there; now next year we would love to see you jump in the lake! Also Deb Anderson brilliantly put a donation request on facebook and pulled in \$150! Way to go! That is thinking outside the box, or the beach, rather.

This year everything went smoothly because so many people stepped up to help. It was, for me, the chilliest, chilliest beach brunch ever. Thank you all!

The raffle was held before the plunge this year so no one froze waiting for their lucky number to be called. Sherry Yapp won best

costume yet again, sporting a Husky Rose Bowl Television. You all seriously need to step up and challenge her winning streak next year.

Polar Plunge - A Great Way to Greet the New Year!

(Continued)

Several people won prizes generously donated by:

- Cedarbrook Lodge in SeaTac
- Wild Birds Unlimited in Burien
- Ultimate Solution Hair Salon in SeaTac
- Paws in the Park in Normandy Park
- Blessings Bouquet at 206-949-5607 in Angle Lake
- Maven's Mercantile in Burien
- Starbucks in Normandy Park went above and beyond donating 100 cups of coffee and a huge selection of their fabulous pastry
- Azteca donated a warm platter of mixed bites that were quickly devoured
- Trader Joes gave us dozens of gluten free cookies.

Please visit these businesses and tell them we appreciate their support of our community. Next year I will be calling on you to ask your favorite businesses to donate something for our raffle. Most places are happy to support us in our effort to replenish the food bank. I have 'ask letters' you can give them. SEE THE GREAT VIDEO Val made of the day: <http://www.anglelakemanor.com>

High Five to the High Dive As We Say A "FOND FAREWELL"

If you live on or around Angle Lake, you might be aware of the High Dive Tower located in the Cove at the SE corner of the lake. The current dock for the Dive Tower was built years ago using cedar logs cut in the 1930s from the Jarnig property (one of the first homestead

properties on the lake). It was maintained by the 'Cove Community*' (*Andrew J. Jarnig and the Nelson and Rollison families). Those same logs, 80+ years later, still serve as the means of floatation. At first, the dock was equipped with a homemade version of an elevated spring board made from an old jump/buck board and model T springs for extra boost. In the 50's the Cove Residents, led by Andrew J. Jarnig, constructed the current Dive Tower and the spring board was later removed. Years ago, it was one of 7 total dive towers that graced the shores of

Angle Lake. For five generations this tower has stood the test of time drawing only the bravest swimmers to jump.

Memories of the Dive Tower are endless. It is hard to say how many dives, cannon balls, belly flops and can openers were displayed. Over five generations the Dive Tower has been a unique and fun place to meet

families. Many swimmers have passed "the swim test" to swim out from a shore dock to the Dive Tower. For years the Angle Lake Fourth of July swim races were staged from the Moorehead's beach with the starting point at the Dive Tower's dock.

Many beautiful dives and not so pretty belly flops have been made. Sometimes divers would turn around and go back down the ladder only to return and finally jump! It was fun just to hear the screams and laughter as we watched people jump, sharing in the joy of their moment.

Maintenance was endless, especially in later years as the Dive Tower drew more enthusiastic swimmers some of whom did not respect the history or age of the structure. Despite the best efforts by the Dive Tower's current group of stewards the dive dock fell into disrepair.

High Five to the High Dive
(Continued)

The late Lee Brown (AKA “The Keeper of the Dive” and resident of the cove since 1982) was instrumental in taking the lead to make necessary repairs. With help from the Murphy and Tonnamaker Families they managed to keep the Dive Tower in a safe and usable condition. Each time the structure decided to break its moorage and take a tour of the lake it was Lee who ventured out and towed it back to shore until weather allowed for the necessary repairs. With Lee’s passing late last year those who continued to be involved with the upkeep realized that maintaining the dock in safe condition exposed them to liability and put them at risk.

Earlier this year, during high winds, the Dive Tower broke loose from it’s chained mooring for the last time. After it drifted for a day Bruce Goulet and Jim Todd

went to the rescue and towed it to shore. After inspecting it closely and doing some soul searching the cove residents, with tears and sad regret, made the decision to retire the tower as of March 2019. It may not be there physically,

but its 80 plus year legacy will forever be a part of our memories.

Perhaps this is just a sign of the times. The common sense of yesteryear has been taken over by rules and regulations and subsequent risks of liability for the carelessness of others. Let’s hope lake residents in generations to come will invent ways to bring new joy and thoughtful stewardship to our beautiful Angle Lake. This is what we, the Angle Lake Shore Club, strive to create.

So here’s a HIGH FIVE to the sounds of laughter and joy that were and always will be heard on the lake. But, alas, no more from the historic sentinel of the lake, our beloved High Dive Tower!

by Rob and Brenda Mason

It was the perfect Saturday afternoon after the long snow storm to get out and meet and greet many new neighbors. Debbie Beck and I visited with eight new families who joined our wonderful community.

For some new neighbors it was a short move to get here, while others came from out of state. Many whom we have visited in the past have said they are so glad to be here and we had that same response from the new residents.

Thanks TaniRae and Lonnie for giving us so many names to visit. We depend on all of you out there to let us know when you have a new neighbor, they are always so happy to receive a welcome packet . It contains so much information as well as a Free Bowling Certificate good for the whole family compliments of Val and Pat Johns. It includes lots of other coupons for attractions and restaurants as well.

Just email us their names and address information and we’ll add them on our list. margemurtha@yahoo.com or Debbie at beck.sd@comcast.net and thanks for your help!

by Marge Murtha

Personal Watercraft Alert!

Angle Lake has hosted a myriad of interesting waterfowl species during the winter months. As they depart the Lake on their continuing migratory flight plans, they will soon be replaced by all kinds of water craft. Which leads me to remind everyone to keep your paddle boards, kayaks, rowboats, oars, paddles and life jackets safely secured!

In September we had 1 set of oars, 2 canoe paddles, one canoe, one kayak, and one stand-up paddleboard taken from our beach. And no, they did not 'drift off'! My kind neighbors, Debbie McPherson and Drew Clark, carefully searched the entire shoreline in their Boston Whaler just days after, and no signs of our missing boats and paddles.

Recent good news, however... Rotem Yossef reported (via Angle Lake Neighborhood blog) a canoe abandoned on his Angle Lake Manor beach just after the mini hydro races. Along with the canoe was one of our oars plus a life jacket. The other oar was found recently by Steve Haynes in the lily pads near the park. Paddle board, canoe paddles, and kayak are still missing.

We have since locked up every boat (cable bicycle locks work great!), and we bring the oars and paddles up to the house after each use. Don't let scofflaws ruin your lake time this summer! And do report any strange boats that end up on your beach.. someone is probably looking for them!

by Nancy Jones Erickson

SEASONAL EVENTS CALENDAR!

Never a season goes by at Angle Lake without one community event or another for members and our neighbors to look forward to. The Angle Lake Shore Club hosts and/or sponsors a string of events annually. Most activities are free for the community to participate in except where noted below.

The 2019 dates for scheduled events are as follows:

- Sun Apr 21: Easter Bunny Dock Hop
- Sun Apr 28: Fishing Derby, Picnic, and Raffle. Purchase is required.
- Thu Jul 04: Independence Day
- Sat Jul 20: Angle Lake Clean Sweep
- Sat Aug 10: Floating Tasty Tapas. Purchase is required.
- Sat/Sun Sep 7/8: Seattle Outboard Association Hydro Plane Boat Races
- Sat Oct 27: Halloween Spook-tacular Boo-Cruise

- Sat Dec 07: Members Only Christmas Party. Purchase is required.
- Sat Dec 14: Christmas Boats and Santa Cruise

Download your own copy of the 2019 ALSC Events Calendar by clicking [HERE](#). Print a copy and hang it on your refrigerator to ensure that you don't miss any of the exciting events we have planned for you and your family to enjoy!

You can also visit the Blog Site to view a collection of photos from Past Events by clicking [HERE](#).

Please Note: Any changes to events, dates and/or times will be posted on the ALSC blog and announced in our quarterly newsletter.

Your entire [ALSC Board Team](#) is looking forward to seeing you out on the water soon!
