A message from the President

Greetings fellow Angle Lake Shore Club Members!

I do not know about all of you, but this last week I was enjoying a wonderful sunny Thanksgiving weekend in our backyard and on our dock and soaking up the beautiful weather, hoping this sunshine would last forever! Now I am sitting in my office in a warm sweatshirt waiting for the rain to come pouring down on us! I cannot believe what a difference 1 week makes in the Seattle area, so I just wanted to give everyone a warm welcome to fall and winter.... if that is what you want to call it. Although I am sad to see the sunny weather going away, I am excited about a few great events coming up.

On Saturday, December 9th we will be having our annual Christmas party for all our Angle Lake Shore Club members. The Christmas party committee has finalized the menu as we speak and we have enlisted Madre's Kitchen to provide all the food. Donna and myself will be hosting this year and we hope you can make the time to join us in this fun and enjoyable event. I cannot wait to see everyone.

The following week on Saturday December 16th we will be having a holiday boat cruise around the lake. Boats will be decorated in a holiday theme and will cruise around the lake to show off their decorating skills to the community. This is a free event and any ALSC member is more than welcome to decorate their boat and join in the parade around the lake. We would like to invite everyone to check out the boat cruise to see all the colorful decorations. Lastly is the polar bear plunge, scheduled for Monday, January 1st. This event is specifically held for individuals who can stand 45-degree water temperature (which does NOT include me) and want to freeze to death on a cold January day. I will be cheering all of you on as I huddle around my warm fireplace, drinking super-hot hot chocolate and hoping that I am never asked to do that.

All the best!

John

Frank Hansen Memorial Regatta

By Fuzz Hill

The Frank Hansen Memorial Regatta brought to you by the Seattle Outboard Association as a sanctioned Seafair Community Partner boat racing event, was held on **September 9th and 10th, 2023** at Angle Lake Park in SeaTac, Washington.

The event featured two full days of boat racing excitement, as well as a variety of other activities, including:

- Seafair clowns
- Food trucks
- 9/11 commemorative event
- Seafair Cup awarded to J-series hydroplane drivers

Following the event the ALSC received the following note of appreciation from the Seattle Outboard Association:

Angle Lake ~ Thank you to everyone who helped push us to another successful year at Angle Lake! We can never say enough thank yous to Fuzz Hill, the Angle Lake Shore Club, and the City of Seatac.

The community support that we get at this event is unlike any others on the schedule. Another large thank you goes out to anyone who assisted in driving school. We had 15 participants in New Folks in Boats over the weekend, and at least 3 of them participated the next weekend at Lawrence Lake. New Folks in Boats is a foundation of the club, and personally, I was blown away when I asked at the drivers meeting for people to raise their hand if they came from New Folks. A lot of effort and time goes into it, and truly takes a village to put on, but it's safe to say that SOA would not be the same without this event every year. We had great, safe racing at Angle Lake, and we are looking forward to doing it again next year.

ALSC Board & Mission

Established in 1934, the Angle Lake Shore Club (ALSC) board takes enormous pride in being recognized as a very active and successful neighborhood social organization. The club was founded when a group of like-minded individuals came together with similar goals toward preserving the environment and improving livability on the lake.

Throughout the many decades, the club has flexed and adapted to meet the changing interests and needs of the membership, including organizing a movement for the installation of sewer lines, and encouraging residents to replace their reliance on septic tanks. The club has also focused on building community by forming yearly events such as the fishing derby, Fourth of July activities including the totem triathlon and fireworks display, and the Christmas party featuring progressive hors d'oeuvres and dinner. The organization even built and maintained a club house for many years until interest waned and it was sold.

87 years later, the club objectives are still the same – continue caring for our environment and sustain a desirable level of enjoyment and quality of life which includes happiness and healthfulness.

With these goals in mind, the ALSC board announces the remaining events for 2023.

SUMMER • Tasty Tapas

FALL • Halloween Boo-Cruise Spooktacular

WINTER • Members Only Christmas Party • Santa's Christmas Boats • Polar Bear Plunge
