

Welcome to Angle Lake

Did you know there are two organizations that make our neighborhood special?

They are: the Angle Lake Manor (ALM) and the Angle Lake Shore Club (ALSC)

The ALM is a Homeowners Club of the 124 homes that share ownership of the Private Angle Lake Manor Beach Lot at 3417 S. 194th. Homes included are all homes on the South side of S 192nd and all homes between there and the lake from the Angle Lake Park to 39th Ave S.

Bi-Monthly meetings are open to all ALM homeowners or tenants. They are usually on the second Thursday of the month and held at the beach lot in the summer months. There are many volunteer opportunities and we invite you to join in and become a part of the energy, fun and responsibility we share in this close knit and caring community.

Meetings discuss our Neighborhood Watch program, the use and maintenance of the beach lot and four major events run by ALM:

1. The Fourth of July Kiddie Parade & ice cream social with live music
2. The National Night out Against Crime Potluck in August,
3. The Holiday Party, Potluck and White Elephant gift exchange in December
4. The Annual Yard Sale around the Labor Day weekend

Dues are \$40 a year to support maintenance of the beach lot and organization. One key to the beach lot is given to all paid members. Replacement keys cost \$20. Rules are posted at the entrance. Important to note is the covenant forbidding public access to the beach lot. ALM ownership of the lot will return to the developer, if non-members are allowed to access it without a member present.

Flyers delivered door to door are an occasional mode of communication. But we prefer to communicate through email and short text reminders. We have established a phone tree to reach residents quickly in case of emergency. You can check our website for meeting location and date as well as history, event photos, covenants & all pertinent documents. <http://www.anglelakemanor.com/>.

Please make sure we have your email address so we can email announcements and newsletters. Send your name, phone number, home address and email address to Bob Simmons at almcc.treasurer@gmail.com. Questions can be directed to the President & (jokingly anointed) Queen of the ALM, Tani Rae Standridge 206-300-5740.

A group of women often swim together in the summer. To join search for the Facebook group [Angle Lake Swimmin Women](#) or text Tani Rae 206-300-5740.

The ALSC is a social organization for lake and non-lake dwellers alike. Their mission is to build a stronger community providing unique events year round for residents living on and around the lake.

The ALSC welcomes new neighbors with a welcome packet of information. If you are new or know someone who is, please contact Marge Murtha 206-557-4641.

The ALSC helps neighbors stay informed about local concerns and activities through the ALSC Blog and Emailed Newsletters. The ALSC blog is at <http://anglelakesc.blogspot.com>.

Follow the Facebook Community page at <https://www.facebook.com/AngleLakeSC>.

Dues are only \$20 per household or \$10 for individuals. To join the ALSC fill out the form in this link:
